The Mirror

PUBLISHED BY

The Class of 1931

BATES COLLEGE

Lewiston Maine

JOHN MURRAY CARROLL, A.M.

Dedication

To John Murray Carroll, Professor of Economics, whose faithful and conscientious devotion to the interests of the students and the college has made his name an epitome of all the spirit and tradition that is Bates, we affectionately dedicate our 1931 Mirror.

Modestly, patiently, enthusiastically, he has for more than a score of years guided successive generations of Bates men and women toward an intelligent understanding of our economic structure. Firm in principle, loyal in service, broad in judgment, and sympathetic in attitude, he is at once the worthy citizen, the cooperative faculty member, the tolerant instructor, and the personal friend of every student. We are proud to dedicate our yearbook to a man who can always find time to help others though his own cares may be legion.

• Foreword •

With the hope that it may serve you as a record of lasting friendships, hours of pleasure, and days of service and toil — and reflect the spirit of an institution whose future bids fair to exceed the promise of its past — the Mirror Board presents this publication

"Martha Joe"

Auburn, Maine

"But, oh, she dances such a way
No sun upon an Easter Day
Is half so fine a sight."

Born October 17, 1909; Edward Little High School; Entre Nous 1; Lambda Alpha 1, 2, 3, 4; Hockey 1, 2; Track 1; Y. W. C. A. 1, 2; Outing Club 1, 2, 3, 4; La Petite Academie 2, 3.

WALLACE E. VILES, B.S.

"Wally"

Anson, Maine

"Our lives are measured by the deeds we do."

Born April 24, 1910; Madison High School; Outing Club 1, 2, 3, 4; Varsity Club 2, 3, 4, Secretary 4; Track 1, 2, 3, 4, Co-Captain 4; Cross-Country 1, 2, 3, 4, Captain 4; Jordan Scientific Society 3, 4.

HAZEL ELIZABETH WAKEFIELD, A.B.

Bath, Maine

"A tale is everything."

Born October 14, 1909; Morse High School; Entre Nous 1; Hockey 1, 2; Soccer 1, 2; Volleyball 2, 3; Outing Club 1, 2, 3, 4; Y. W. C. A. 1, 2, 3, 4; House Council 3; Sodalitas Latina, Secretary-Treasurer 4.

AUDREY GERALDINE WATERMAN, A.B.

Auburn, Maine

"Nothing great was ever accomplished without enthusiasm."

Born February 22, 1910; Edward Little High School; Entre Nous 1; Hockey 1, 2, 3; Basketball 1, 2, 3, 4, Captain 2; Baseball 3, 4; Soccer 1, 2, 3; Track 1, 2, 3, 4, Numerals 1, Sweater 3; La Petite Academie 4; W. A. A. Board 2, 3, 4; Class Representative 3; Track Manager 3; Baseball Manager 4; Y. W. C. A. 2, 3, 4; Outing Club 1, 2, 3, 4; Lambda Alpha 1, 2, 3, 4; Orphic Society 2, 3.

RUTH ANNABELLE WATSON, A.B.

"Boots"

Haverhill, Massachusetts

"Boots, saddle, to horse, and away!"

Born October 24, 1907; Haverhill High School, 1926; Outing Club 3, 4; Y. W. C. A. 3, 4; Cosmos Club 4; Riding Assistant 4.

FLORENCE E. WHITE, A.B.

Columbia Falls, Maine

"The very flower of courtesy."

Born December 23, 1908; Westbrook Seminary; Entre Nous 1; Y. W. C. A. 1, 2, 3, 4; Student Government 1, 2, 3, 4, Vice-President 3, Senior 4, House Council 1, President of House Council 4; Ramsdell Scientific 2, 3, 4, President 4; Outing Club 1, 2, 3, 4.

LUTHERA ADA WILCOX, A.B.

West Lebanon, New Hampshire

"Wearing all that weight of learning
Lightly, like a flower—"

Born May 2, 1910; West Lebanon High School; Y. W. C. A. 1, 2, 3, 4; Outing Club 1, 2, 3, 4; Alethea 2, President 3; Spofford 4; Phil-Hellenic Club 2, 3, 4; Sodalitas Latina 4; Numerals 3; General Scholarship 2, 3; Sophomore Prize Debate 2; Debating Council 2, 3, 4; Junior Exhibition 3; Chairman of Dining Room Committee 4; Mirror Board, Debating Editor; Assistant in Latin 4; Phi Beta Kappa.

RUTH ILLINGWORTH WILSON, A.B.

Maynard, Massachusetts

"Of all felicities the most charming is that of a firm and gentle friendship."

Born May 4, 1910; Maynard High School, 1927; Entre Nous 1; Y. W. C. A. 1, 2, 3, 4; Alethea 2, 3; La Petite Academie 2, 3, 4; Phi Sigma Iota 4; Freshman Hop Committee; Chairman Sophomore Girls' Dance Committee; Senior Girls' Dance Committee; Greek Fete 2; Outing Club 1, 2, 3, 4; Hiking 1; Student Social Functions Committee 3; Associate Editor of Mirror 4.

FLOSSIE EVELYN YORK, A.B.

Kennebunk, Maine

"Exhausting thought
And hiving wisdom with each studious year."

Born December 5, 1907; Kennebunk High School; Entre Nous 1; Alethea 1; Sodalitas Latina 4; Hockey 4, Captain 4; Baseball 2; Soccer 1, 2, Captain 1, Numerals 2.

MALVIN DAVID WILMOT GOTTESFELD

"Mal"

Lewiston, Maine

Born March 2, 1910; Jordan High School; Orphic Society 1, 2, 3, 4; Macfarlane Club 3, 4; Outing Club 1, 2, 3, 4; Lawrance Chemical Society 3, 4; General Scholarship Prize 1, 3; Honor Student in Chemistry 4; Assistant in Chemistry 4; Coe Scholarship; Phi Beta Kappa.

For three years we were permitted to enjoy his presence, and then Malvin Gottesfeld was taken from us. Without exception, he was the most brilliant in the Class, and yet scholarship was not the only field in which he excelled. Science, debating, music, social life, and outside work all contributed to make up Malvin's well-rounded life. He was kind, industrious, cheerful, and talented. In losing him, the Class of 1931 feels that it has lost a man who was indeed a real asset to the Class and a true friend of all.

I shall not wail and wound a parent's heart
That evermore will mourn in quiet grief
For him they lost; shall not lament the brief
Symmetric life, above, but not apart
From, all his friends; nor strive to show his start
Was checked by higher plans—in vain; belief
Breeds hope, but never can it bring relief
From memories. But if I had the art
To frame a mighty masterpiece of sound,
A sweeping symphony I should compose,
Having the leading violinist soar
Through passages too intricate for those
Of lesser skill, stop short, and play no more—
Mute is the melody discord never drowned.

—E. W. Ratten, '31.

Gifts to Women	Reginald Merton Colby
Gifts to Men	Dorothy Vernon Stiles

Toastmaster, Howard Emery Thomas

Marshal, Lloyd Martindale Potts

Ivy Day Ode

A tender plant within the rich earth pressed,
There nourished and trained, spreads out afar.
It grasps the roughness of each brick and stone
And well in-rooted, reaches out, expands.

The growth of man is like the ivy green—
The college halls devoted care provide,
A firm foundation, and the high desire
To strive, to cling, to soar, but not to roam.

Batesina may we of thy bounty share.
Provide us with the food, the strength, the soul
To overcome each hardship that we find,
And as the ivy vine, spread out afar.

WORDS BY GLADYS E. UNDERWOOD

MUSIC BY HAZEL L. GUPTILL

Ivy Day Poem

The green-leaved ivy springing from the sod
Becomes a symbol on the college walls,
Of high ambition as it upward crawls
With arms outstretched to a heavenly God.
Until, at last, we know it comes to be
A monument to that which does inspire—
Th' entrancing joy that comes by climbing high'r—
Still being true to earth, still true to thee.
So now we come to set aside this day
To plant the ivy, to commemorate
The hopes that we will e'er associate
With you, Our Alma Mater. Let it say
Each year the message that our hearts hold true,
And ever binds each class, O Bates, to you.

L. ROGERS PITTS

Junior Exhibition, Class of 1931

Little Theatre — May 28, 1930

Program

1927-1931

An Historical Drama in Four Acts

CAST: Members, past and present, of the Class of '31.

SCENE: Bates College.

ACT I

SCENE I *September*

Bates gets a break; '31 arrives.
"I Am You Are", wherein we sign our names and become collegiate.
Plenty of excitement during Freshman Week. Co-eds introduce a new coiffure on campus; pig-tails in all sizes. Eds entertain at a pajama party—entire college invited.

SCENE II *October*

We become acquainted with "Goosie" and each other at Lake Auburn.
Professor Myhrman begins lecture tour of Twin Cities by addressing Politics Clubs on "My Trip to Russia".

SCENE III *November*

Co-eds render dance held by co-eds of '30 an Adamless Eden, with the aid of ammonia and hard candy balls.
Dean Pope addresses the women of '31 on "How to Pour Ammonia".
Preparations made to better illuminate the campus. Move to organize a Society for the Prevention of Cruelty of Co-eds.
'31 triumphs over '30 on the gridiron. Impromptu parade; cowbells, dinner-bells, and dishpans.
Recess; faculty, in its infinite wisdom, grants petition.

SCENE IV December

Sam Kenison elected President.
Caps and ties, tokens of "ignorance and servitude", stowed away in "Mem" books. Sweaters and knickers much in evidence as "The Revamped Freshman" appears.

SCENE V *January*

Talent of '31 helps make Bates Bobcat Circus a brilliant affair.
Track victory. Speed merchants of '31 romp to win over Portland High.

SCENE VI *February*

We survive our first mid-years, somewhat crippled.

SCENE VII *March*

Frosh Prize Speakers disport before Prof. Rob. Dorothy Morse and Norman Coulombe adjudged winners.
Members of '31 attend formal opening of Bates Alumni Gym. Blessings of co-education begin to be realized.

SCENE VIII *April*

Co-educational commons.—first and last attempt.
4A presents *Captain Applejack;* "Billie" Wilson stars for '31.
Wild orgy as two-mile relay team wins national championship. '31 helps carry logs up Mt. David, and in other ways joins in celebration. Nevel Huff nearly visits City Hall basement.

SCENE IX *May*

Traditions fall as '31 crashes into society with *Tyro Dansant.* The class and Mr. Pitts become famous.
Noise and rejoicing as Debaters Guptill, Davis, and Ames leave for World Tour.
Battle of Buckfield, in which an overwhelming number of Sophomores rescue their kidnapped brothers from the Frosh in time for the annual banquet.

ACT II

SCENE 1 *October*

Our favorite haunt, Mt. David, is padlocked—lest we should slide too far.
Art Sager, '26, peer of American javelin throwers, speaks in chapel on his Olympic experiences.
Will Rogers receives one vote, as Pa Gould's students take straw ballot to see which way the wind blows in presidential campaign.

SCENE II *November*

Bates-Oxford debate at Augusta; Howard Thomas represents '31.
Co-eds entertain at Sophomore scrimmage. Interference thwarted.
A spectacular finish gives the Sophs an 8-7 victory over Frosh in the annual gridiron battle.

SCENE III *December*

Huge rally in protest against the release of Coach Wiggin.
Lawrance Chemical Society, in honor of Dr. Lawrance, holds premier meeting. A Chapter of Phi Sigma Iota also established to add to Bates rapidly growing number of student organizations.
World Tour Debaters return to campus.

SCENE IV *January*

New football coach appointed—Dave Morey!
Dolly Morse and Martin Sauer play stellar parts as 4A presents *Arms and the Man.*

SCENE V *February*

Garnet retains Winter Sports diadem for eighth consecutive year.
Co-eds of '31 obtain first intimate glimpse of Parker Hall.
Sophomore Hop proves bigger and better than ever.
Parker Hall denizens send out call for a "Thumbtack Fund", to pay fines of those who suffer from the curtailment of an "ancient and inalienable right".

SCENE VI *March*

County Fair at Chase Hall attracts throngs.
Co-eds entertain with deeds of prowess in annual Gym Demonstration. Tickets required.

SCENE VII *April*

Glee Clubs forced to hibernate in Wilton, due to snow.

SCENE VIII *May*

Banquet successful; all members present. Kenison concludes his brief stay at the DeWitt.
Graduation made more difficult as Prexie announces rearrangement of quality point system.

SCENE IX *June*

Varsity Baseball Championship, Coach Wiggin's farewell gift to Bates.
'31 co-ed representatives crowned with laurel at Greek Fete.
Osie Chapman gets into the headlines by taking second in the I.C.A.A.A.A. half mile.

ACT III

SCENE 1 *October*

The year begins auspiciously with Rev. Helsley, Judge Manser, and President Gray speaking at First Chapel.

SCENE II *November*

For the first time in twenty years Bates holds undisputed possession of State football crown. Dave Morey's eleven defeats Maine 6-0, Bowdoin 26-0, Colby 7-6.
Coach Thompson's harriers continue athletic revival by winning the State and New England cross country titles.

SCENE III *December*

Howard Thomas wisecracks as toastmaster at banquet to championship teams.
San Kenison receives new honors as he is voted member of Maine All-Star Eleven.

SCENE IV *January*

Ray Thompson stealthily gets married during vacation. Dagmar Carlson brought back to Bates, but not as a co-ed.
Martin Sauer forsakes acting long enough to coach "The Importance of Being Earnest".
Junior Cabaret initiates season of campus formals. Joan Lachance, '30, makes hit by singing "Butterfly Queen", a fox-trot number composed by Gordon McKey and Helen Young.

SCENE V *February*

Bates and Osie Chapman still being discussed in Boston where the latter, in January, defeated Phil Edwards to win the Cheverus Cup.
Prexie announces extensive development program. New dorms, swimming pool, dining hall, and landscape features will be part of the Bates of ten years hence.

SCENE VI *March*

Co-ed debaters go on tour. Argue "Emergence of Women" with New Hampshire and Tufts.
The two-mile relay team breaks the worsted ahead of fifteen rivals at the I.C.A.A.A.A. games.

SCENE VII *April*

Thomas, Colby, and Treworgy of '31 have much to do with bringing the Eastern College Debating League title to Lewiston in the first year Bates is a member.
Norris Marston and Lillian Hanscom chosen to control student conduct for the year 1930-1931.
Mina Tower elected to presidency of Women's A. A. Her article on "Play Day" published by *Sportswoman.*

SCENE VIII *May*

Bates College lauded in radio broadcast at St. Paul, Minneapolis.
Deah Old Hawvahd gets a thrill as Chapman sweeps to victory in the I.C.A.A.A.A half mile.

SCENE IX *June*

The serious and humorous blend in Ivy Day program. Ivy Hop superb.

ACT IV

SCENE I *September*

George Carroll Smith promises Bates a new dormitory.
First Chapel speakers and class presidents dig up tennis courts.

SCENE II *October*

Cushman and Fuller the goats, as '31 selects the Editor and Business Manager of *The Mirror.*
Faculty members display lack of marching ability as Paul Claudel, French Ambassador to the United States, is awarded Honorary Degree of Doctor of Laws in Chapel.
Co-education claims a victim in Hildegarde Wilson.
The East sings the praises of Morey's football team while Dartmouth wonders.

SCENE III *November*

The Garnet plows through Colby, 14 to 0, for our second successive football crown. The harriers keep pace by retaining their State and New England championships.
Malvin Gottesfeld's death stuns college. Double tragedy as Frances Carroll is victim of gas poisoning the same day.

SCENE IV *December*

Alarm clocks waken drowsy chapel students, undoing best efforts of faculty speakers. Debating coach manifests ability to think quickly by turning responsive reading into an enjoyable monologue.
'31 comes through again, this time with a novel Christmas dance.

SCENE V *January*

Osie successfully defends the Cheverus Cup. Runs fastest 1000 ever recorded in Boston.
We vote to place a clock on Hathorn Hall as a graduation gift, and to petition for twenty-two chapel cuts.
Spofford Club engages Robert Frost to lecture in the chapel.
Athletic Policy still very unstable. Freshmen again eligible for Varsity track after the powers that be ruled to the contrary last May.

SCENE VI *February*

Pathe shows interest in the Bates Winter Carnival. Doc. Wright and Buck Spinks try to emulate the late Anne Pavlova in Faculty-Outing Club baseball game, played on snowshoes.
Next year's Frosh safe. Present policy of initiation much modified and softened by Student Council after advisory vote.
John Fuller's "Lonely Road" accepted by Harper Brothers for a new anthology of college verse.
Foreign invasion fails as Chapman repeatedly turns back French, British, and Swiss stars. Whole country grateful to Bates.

SCENE VII *March*

Eleven of us honored with Phi Beta Kappa. Fish menu quite appropriately features annual banquet to the elect.
W.A.A. discards the yearly basketball feast, and holds a banquet for all. Toasts and music feature.
Biennial exhibition by scientific societies successfully concluded.
Third tragedy of the year as Mereen Widber, '34, dies at her home in Auburn.

SCENE VIII *April*

An animated scene with a library setting. Theses due.

SCENE IX *May*

Actors and actresses of '31 make their final bow in *Death Takes a Holiday.*

SCENE X *June*

Unwritten as yet. Contemplated theme: Commencement—and the Great Unknown!

BATES LAUDED IN RADIO BROADCAST

Excerpts from lecture given by Station WCCO in April, 1930.

Bates College has been brought into the foreground this year through her remarkable progress in athletics. After enjoying the reputation of being the "scoreless wonders" of the east in football for two years, she surprised herself and everybody else by winning the state championship.....

For many years the Bates College track team has had an excellent record and this year has kept up its good work by winning the state and New England cross country titles while the relay team won the two-mile at the B.A.A. and I.C.A.A.A.A. contests. Falling in line with other victories the hockey team won the state championship.....

Debating at Bates College needs no introduction. A Bates team was the first American team to cross the Atlantic. International debates have been held annually and in 1928 a team went around the world.....This year Bates took Harvard's place in the Eastern Debating League.....and was awarded the championship.

The president, Dr. Clifton Daggett Gray, is just completing his tenth year .....At the mid-winter meeting of the trustees he presented a development program which was unanimously accepted.....calling for the expenditure of nearly four million dollars.....

The Bates College Summer Session was instituted in 1919. At its last session there were 275 students.

ACKNOWLEDGEMENTS

No college annual can hope to cover adequately the life and activities of the institution it represents without the hearty cooperation of the students themselves. The editor feels that the 1931 *Mirror* Board has been most generous with its services, and wishes at this time to express his gratefulness to every member. Likewise he feels indebted to various individuals outside the pale of the Board for their contributions and helpful suggestions, while the work of Lester P. Gross and John Curtis, who of their own free will helped collect and arrange the snapshots found within these pages, deserves special recognition.

It is inevitable that we are about to leave the stage of Underclassmen, and enter into the dignified seniority of Upperclassmen. We hope that we have played the role of Underclassmen exceedingly well. Certainly our prominence in Bates' activities has been great, and our men especially deserve much credit for their outstanding participations in football, hockey, track, and debating. Our aim for the future is to increase our contributions to promote bigger and better things for Bates.

BATES IN 1875

CHENEY HOUSE

SOPHOMORES

Class of 1933

Officers

President, Robert Beuerle Swett

Vice-President, Barbara Lucile Stuart

Secretary, Deborah Thompson

Treasurer, John Howe Stevens, Jr.

The Class of 1933 has succeeded in passing that supposedly "awful year", and reached the lofty realm only realized by Sophomores. It has paid one installment of its college career, and, it hopes, fulfilled the requirements to the best of its ability. The Class as a whole has shared in many glories, and the numerals "33" have not been absent from the lists of persons of whom Bates is proud. You have some big shoes to fill, Freshmen!

FRESHMEN

Class of 1934

Officers

President, Frank Suther Murray

Vice-President, Mary Ruth Gardner

Secretary, Nancy Longfellow Crockett

Treasurer, Julius Sammis Lombardi

Green berets and garnet caps could not hide the talent in the Class of 1934. Easily apparent, even through the ingenuous disguises which traditional initiation rites of the Sophomores required them to wear, was the ability of its members in athletics, debating, dramatics, music, and, of course, scholarship. The baby yearlings at first so innocently hopeless (or was it "hopelessly innocent"?) surprised their overlords after Thanksgiving and took the roles of more representative students.

Let us hope that they do not plan merely to play a part; but may they carry on earnestly throughout their remaining years at Bates.

Student Council

Officers

President, Norris L. Marston, '31

Vice-President, Earl H. Garcelon, '31

Secretary-Treasurer, Randolph Weatherbee, '32

Members

Benjamin Chick, '31	Earl H. Garcelon, '31	Robert B. Swett, '33
Norman S. McCallister, '31	Ray E. McCluskey, '32	Henry L. LaVallee, '33
Norris L. Marston, '31	Randolph A. Weatherbee, '32	

The Student Council this year continued its services to the student body, performing its duties in a very quiet but faithful manner. The very fact that the Council has been involved in nothing spectacular while continuing to serve its twofold duty of governing and representing the student body in a cooperative administration of students and faculty has testified to its principle of correction rather than prosecution.

The Bates Council has been one of the college organizations cooperating with the University of Vermont in a survey of the freshman initiation status in New England. After various methods of sounding student opinion at Bates, the Council modified the freshman initiation rule, considerably reducing the extent of the restrictions on the first year men, and providing for even closer supervision by the Council of future initiation activities.

Student Government

Officers

President, LILLIAN J. HANSCOM, '31
Vice-President, KATE HALL, '32
Secretary-Treasurer, GRACE PAGE, '32

Members of Judiciary Board

Charlotte Cutts, '33

Louise Day, '31
Marcia Berry, '31
Harriet Green, '31
Lorna McKenney, '31
Clara Royden, '31
Dorothy Stiles, '31
Florence White, '31

Women's Student Government Association has been an active organization this year. Not only has the Judiciary Board functioned with the greatest efficiency in helping to guide the women in paths of loyalty, honor, leadership and cooperation, but it has also been a vital factor in orienting the freshmen and in fostering a spirit of harmony between the faculty and students.

In the fall, a reorganization of freshman initiation activities was attempted, and because of the splendid spirit of cooperation shown by the Sophomores and the untiring efforts of the members of the board, a fine spirit has grown up within the entering class.

Delegates were sent to the Conference of the Association of Women's Student Government of Coeducational Colleges of New England, and the President attended the National Conference of Women's Student Government Associations at New Brunswick, New Jersey.

Under the auspices of Women's Student Government the women were tendered a banquet at which they were entertained by an able speaker, Dean Mesick of Simmons College.

A progressive attitude and an increased spirit of cooperation has been shown in the activities throughout the year.

Garnet Key

Officers

President — Robert B. Swett
Secretary-Treasurer — Joseph A. Kelly

Members

Arnold G. Adams
Herbert O. Berry
John C. Hall
Joseph A. Kelly
Stanley E. McLeod
Kenneth E. Nichols
Bruce F. Pattison
John H. Stevens
Robert B. Swett

The Garnet Key began the year under a handicap when its president, due to a sudden illness, was unable to return to college. However, with the election of a new president, the Key rapidly rounded into shape. The first appearance of the group before the Freshmen was made on Poster Night, at which time the posters were distributed and the various rules explained.

After Poster Night, it was the work of the Key to see that the rules were obeyed. During the fall the Key supervised the erecting of the football stands by the Freshmen and directed and aided in the work of carrying logs to the top of Mount David for the victory bonfires. With the coming of winter and through the hockey season, the Key supervised the clearing of the hockey rink by the Freshmen and enforced their participation in all the traditional work required of the first-year men.

Throughout the year, however, the major purpose of the Key was to aid the Freshmen in becoming oriented to Bates, and to her customs and traditions, and to show them the best way to proceed in order to receive the most benefit from their college life.

Religious Work	Dr. Amos A. Hovey
Finance	Prof. Anders M. Myhrman, Prof. Carl Woodcock
Employment	Paul Whitbeck

Y. M. C. A.

The Y started the year last Spring by completely revising the Freshman handbook, which was done mainly through the hard work of Harold F. Sipprell, former instructor of English.

The customary part was played during Freshman week. Trains were met, trunks were taken care of, the "I Am—You Are" party gave us a chance to see old friends again and look over the new ones. The Freshman ride furnished relaxation from the ever-busy Freshman Week. The Second-Hand Book Store was carried on as usual, as was the Employment Bureau under the direction of Mr. Whitbeck.

This year, in an attempt at reconstruction, the old weekly meetings were abolished, and in their place were substituted visits of two or three days by different men prominent in religious and social fields. Our visitors were Dean Wearing of Colgate-Rochester, and Dr. Sherwood Eddy.

In looking about for the yearly gift to Chase Hall, the Y was referred to a crystal ball. As there seemed to be considerable sentiment for such a gift, the Y furnished the money and the proper authorities went ahead with the work. As a result Chase Hall now has a crystal ball. Provisions have been made to repair the Infirmary Radio and put it in the large room along with several magazines for light reading.

Just before Christmas vacation the Y cooperated with the Y. W. in a Sunday afternoon vesper service in the Chapel. In view of the favorable comment, it is hoped to elaborate on this practice more.

Christmas vacation, the Y sent its president and vice-president to the Detroit National Student faculty conference.

This year, as last, deputations were under the guidance of Eldredge Brewster. Teams were sent out to the different rural churches. Others were sent to Hebron Academy. In collaboration with the Y. W. the Y sent representatives to the joint deputation of men and women from Colby, Maine, and Bates, held in Augusta.

At the Poland Spring Conference, Bates had the largest delegation. Representatives attend this conference from most of the colleges in New England. At this particular conference, the Power Issue and Political Corruption were stressed.

Y. W. C. A.

One of the most active student organizations on campus this year has been the Y. W. C. A. In October a room in Rand Hall, where cabinet and group meetings might be held, was furnished by gifts from those interested.

The incoming freshman girls were acquainted with college life through their upper-class sisters who wrote to them during the past summer, a custom inaugurated by Y. W. After arriving at Bates, the newcomers were further entertained by a tea, the Mount David party, the "I am—You are" reception, and the freshman ride.

Two outstanding successes of the year were the Christmas bazaar in December, and the annual formal banquet, March 18. Dorothy Parker, '31, chairman of the Bazaar, and her assistant, Christine Stone, '32, ably arranged a neat variety of booths and an excellent entertainment. The banquet, in charge of Muriel Gower, '32, was equally successful, the decorations and program showing the result of much work. Mrs. Gray and Mrs. Chase were the speakers. Elizabeth Taylor and Edith Lerrigo gave toasts, introduced by Gladys Underwood, president, who acted as toastmistress.

In the spring of 1930 the president attended the Detroit Conference of the National Y. W. C. A., bringing back many ideas for new work. Elizabeth Taylor and Jeannette Stahl represented Bates at a meeting of deputation teams from all the Maine colleges held at Augusta in January. Nine delegates were sent to the Maqua Conference last June and eighteen journeyed to the Poland Spring Conference in February to discuss "Political Corruption". The Industrial Convention in Boston was attended by Dorothy Christopher.

Discussion groups were sponsored for five Sundays in December under the leadership of Mrs. Gray, Mrs. Chase, and Mr. Lewis.

During exams, the mid-year teas were served each afternoon in collaboration with W. A. A. and Student Government. Also at mid-years, and at other times, frolics, games, and dancing were enjoyed in Rand Gym.

Every Wednesday night a speaker or program was presented by the program committee. Some of the speakers and their subjects were: Rev. Metzner of Waterville, "Green Pastures"; Mrs. MacDonald, "Scotland"; Mrs. Mabee, "A Chinaman's Chance"; Mrs. Helsley, "Girls"; Dr. Zerby, "Religion and Christ"; Dr. Leonard, "Reading"; Mrs. Costello, "Marriage and Home"; Dorothy Stiles, "The Passion Play"; Mrs. Tolboy, "The World Court". Speakers from out of town sponsored partly by Y. W. include Dean Wearing of New York, and Sherwood Eddy, the writer and religious leader. At times poetry and music have been discussed on Wednesday nights.

The fact that $125 was sent to Hazel Ling, a Chinese student, gives evidence that Y. W. is living up to its purpose "to make a full and creative life possible for all people". Miss Ling is a worthy and deserving recipient, since she completed Yenching Women's College at the head of her class, and under handicap is now studying at Peking Union Medical College, where she has received Phi Beta Kappa honors.

The year 1930-1931 may well be characterized as one of complete change and reorganization for The Bates Student. The various executives and the staff, carrying out the new scheme of administration inaugurated last spring, have functioned admirably well in presenting a weekly account of campus affairs.

Under the new system final authority is centralized in the editor-in-chief who is chosen by the Board of Directors of the Bates Publishing Association. All the other officials and staff members are chosen by the editor with the approval of the board. A new feature of the plan is the creation of the office of managing editor, who has charge of the collection and selection of news and of the set-up of the paper. The other staff heads have assistants and are directly responsible to the editor for their departments.

It has been the sincere effort of those in charge of The Student to produce as attractive, up-to-date, and financially successful a newspaper as possible. In line with this policy the paper has been increased in size, more pictures have been used, and the editorials have been at the same time controversial, timely, and forceful. Several campus problems have been attacked and solutions championed. Larger and more attractive type has been used, and several issues have contained six pages instead of the usual four.

Bates athletic deeds of prowess this year have been covered in full detail. A number of feature stories have also proved to be interesting innovations, along with one humorous issue and a Winter Carnival number.

With a new system of centralized authority, with the added feature of financial remuneration for the executives, and with a new student attitude in regard to the paper it may safely be stated that Bates has made rapid strides forward in journalistic lines during the past college year.

The Garnet

Officers

Editor-in-Chief — Valery Burati, '32
Assistant Editors — John Fuller, '31
Luthera Wilcox, '31
Ernest Allison, '32

Effort has been put into the publication of The Garnet during the year, 1930-1931, to place the magazine on a plane of maturity and caliber equal to that of the literary efforts of any liberal arts college, and it has been the feeling that this has to some extent been accomplished, although it is realized that only vigorous pursuit on the part of editors and contributors over a period of years can bring this aim to completion.

The poetry and prose printed in the four issues of the Garnet this year have been distinctive for their variety, maturity of thought, and maturity of construction. The issues have received favorable comment in the press.

The first issue appeared as a Christmas number, the second in February, the third in April, and the fourth as a Commencement number in the first week of June.

A change in format, size, and type of paper, different cover designs for each issue, and a change in make-up, has characterized the more mechanical features of the magazine.

Bates College Publishing Association

Officers

President	Reginald M. Colby, '31
Vice-President	L. Wendell Hayes, '31
Secretary	Louise W. Day, '31
Treasurer	Prof. Amos A. Hovey
Student Members	Louise W. Day, '31
	Shirley Cave, '32
	Valery Burati, '32
Faculty Members	Mrs. Blanche W. Roberts
	Dr. Edwin M. Wright
	Prof. Amos A. Hovey

One of the outstanding achievements of the Board of Directors of the Publishing Association during the year 1930-1931 was in connection with the reorganization of The Garnet, the literary magazine of Bates. Previously The Garnet was alternately managed by the Spofford Club and the Women's Editor of The Student. Under the new regulation adopted by the board The Garnet has been in charge of an editor-in-chief chosen by that body. This executive has complete authority and chooses his own assistants with the approval of the board. Four issues a year are scheduled, and the magazine appears as a literary supplement of The Student.

The high quality of The Garnet as it has appeared this year has caused much favorable comment on campus, and seems to justify the change in policy. With the foundation of organization already laid, with commendable talent existent on campus, and with one year's work as a guide, high hopes for the literary work of the future are entertained.

The Council is composed of the members of the varsity squads and the winning Sophomore Prize Debating Teams. It manages the intercollegiate debates and the Bates Interscholastic Debating League. This year it has added a new feature. During the fall a "junior varsity" squad gave exhibition debates before high school audiences. The varsity schedules have been unusually heavy, totaling nearly thirty debates.

Delta Sigma Rho

Officers

President, Harold Walker, '26

Secretary-Treasurer, Clara Parnell Cole, '28

Delta Sigma Rho, a national forensic fraternity, is to debating what Phi Beta Kappa is to scholarship. Admission is purely honorary, and none are admitted until at least the end of their Junior year.

Last year Howard Thomas of the present Senior Class was admitted, while Scott Treworgy and Reginald Colby will be eligible for election at Commencement.

The Juniors who have already completed the minimum requirement necessary for admission—two intercollegiate debates—are Edith Lerrigo, Shirley Cave, Randolph Weatherbee, Norman McDonald, Lawrence Parker, Harrison Greenleaf, and William Dunham.

Under the direction of Prof. Quimby and Mrs. Robert Berkelman the local constitution of Delta Sigma Rho is being revised this year in order to change the time of election which is now held annually after Commencement.

The Class Prize Debates

Each year the Bates Debating Council sponsors two Sophomore and two Freshmen Prize Debates. A reward is given to each member of the winning team and an additional one to the best individual speaker.

This year the Sophomore women debated a practical and much discussed question, Bates traditions. The affirmative team, composed of Helen Hamlin and Lucile Jack, won from their opponents, Eva Sonstroem and Dorothy Staples. Helen Hamlin was voted the best speaker.

In the Sophomore Men's Debate the question was: "Resolved, that the Oxford system of education is preferable to the American system". Gerald Stevens, Frank Wimmer, and Lionel Lemieux of the negative won from Fred Donald, Clive Knowles, and George Austin of the affirmative. Mr. Lemieux received the prize for the best speaker. The winners of these two Sophomore debates were automatically elected to the Debating Council.

On April 27, the Freshmen girls discussed sororities and fraternities. Marjorie Bennett and Frances Tarr, defending the present system at Bates, won from their opponents, Dorothy MacDonald and Hazel Nason. The award for best speaker was given to Marjorie Bennett.

In the last prize debate the freshmen boys discussed the subject: "Resolved, that military training should be compulsory in American colleges and universities". A negative team, composed of Albert Oliver, James Balano, and Bernard Loomer defeated Sumner Raymond, Francis O'Neil, and Willard Rand. Albert Oliver was awarded the prize for the best speaker. The winners of these contests often continue their work in debating and become members of the varsity squad.

Intercollegiate Debates

Besides participating in the Eastern Debating League, the men have met six visiting teams. Four of these debates were held in the Little Theatre. Twice our teams were the guests of neighboring communities.

The season opened October 20th with a home debate of the Oregon style. The Bates team, Frank Murray, '34, Orimer Bugbee, '32, and Harrison Greenleaf, '32, upheld the affirmative of the proposition: "Resolved, that chain stores are detrimental to the best interests of the American public."

March 5th the men entertained a Swarthmore College team on campus. The subject of this no decision debate was: "Resolved, that the emergence of women from the home is deplorable."

A week later they met a team from Tufts College. This debate was held at Rockland, Me. Bates supported a third proposition: "Resolved, that the United States should recognize the government of Soviet Russia."

Then Bates rounded out the week by meeting two western colleges during the week-end. The men went to Rumford, Me., Saturday, to debate Oklahoma University on the negative of the chain store question.

Monday they took the same position against Weber College of Ogden, Utah. This debate was unique as men of three colleges participated. A Weber man was ill so one of the Oklahoma debaters volunteered to take his place.

The men completed their schedule when Randolph Weatherbee, '32, William Dunham, '32, and Theodore Seamon, '34, met Lincoln University of Chester, Penn., a negro university, in a no decision debate of the Oregon style. Bates upheld the negative of the federal compulsory unemployment question.

Men's Debating Tour

Friday, March 20th, Howard Thomas, '31, Norman McDonald, '32, and Randolph Weatherbee, '32, left campus in the latter's car on a trip that was to carry them 2,224 miles over spring roads during the next ten days.

Their first stop was at Providence where they met Brown University in their last league debate.

Monday night found them at Clinton, N. Y., upholding the negative against Hamilton College on the question of "the emergence of women". This was the first of their three debates in New York State.

The next, the outstanding contest of the trip, was the objective debate won from Colgate University of Hamilton. It was an important and hard-won victory. Colgate teams had captured a majority of the previous debates. Bates upheld the negative on the subject of "Recognition of Soviet Russia". The decision by a critic judge, Prof. S. F. Crawford, head of the department of Political Science at Syracuse University, is quite unusual in Bates debating.

On their way to New York they encountered a snow storm and were unable to go through the Catskill. That evening they discussed "state unemployment insurance" with New York University.

At Muhlenberg, Allentown, Pa., they won a 3-0 decision on the "Russian question". This was also the subject of the debate with the University of Pennsylvania.

The remaining contests were waged over "federal compulsory unemployment insurance." One was with Temple University at Philadelphia and the other with the American University at Washington, D. C. (The latter team was coached by Robert Hislop, '30.)

Men Debaters

First Row: Left to Right: Randolph Weatherbee, '32, Reginald Colby, '31, Howard Thomas, '31, Scott Treworgy, '31, Norman McDonald, '32.
Second Row: Lawrence Parker, '32, Harrison Greenleaf, '32, William Dunham, '32, John Carroll, '32.
Back Row: Theodore Seamon, '34, Frank Murray, '34, Orimer Bugbee, '32.

Eastern Intercollegiate Debating League

Last year Bates signalized her entrance into the Eastern Intercollegiate Debating League by winning the championship. This was an important achievement for the League included Amherst, Yale, Princeton, Vassar, Pennsylvania, Williams, Wesleyan, and Brown. Since then the University of Pennsylvania has withdrawn. Smith College has entered that place.

So it was as defending champions that the Bates affirmative team met Williams College in the Little Theatre December 5th. The question for discussion was: "Resolved, That compulsory Federal unemployment insurance should be immediately adopted." Norman MacDonald, '32, and Howard E. Thomas, '31, successfully started off the season with a 3-0 judges decision in their favor.

The following day Reginald M. Colby, '31, and Randolph Weatherbee, '32, upheld the negative of the same question at Poughkeepsie. Vassar won a 2-1 decision.

The next subject argued was: "Resolved, that education in patriotism should not be encouraged." Our affirmative team, Lawrence Parker and Randolph Weatherbee, both juniors, met the Princeton men in the Little Theatre and won a 2-1 decision.

The negative team, Howard Thomas, '31, and Norman McDonald, '32, who journeyed to the Wesleyan campus for the major engagement of the league series were less fortunate.

The last question discussed was: "Resolved, that the United States should recognize the government of Soviet Russia." Howard Thomas, '31, Norman McDonald, '32, and Randolph Weatherbee, '32, upheld the negative at Brown. The other debate on this question was defaulted by Smith College.

International Debates

Since Bates inaugurated her international debating policy in 1908 by meeting Queens College of Ontario, Canada, she has participated in fifty other tilts of this type. Her teams have met, while abroad, teams representing colleges of Adelaide; Australia, twice; Auckland; New Zealand, twice; Birmingham, England, once; Cambridge, England, twice; Canterbury, New Zealand, twice; Capetown, Union of South Africa, once; Edinborough, Scotland, once; Honolulu, Hawaii, once; Liverpool, England, once; Manchester, England, once; Melbourne, Australia, twice; Otago, New Zealand, twice; Oxford, England, three times; Sheffield, England, once; Sydney, Australia, twice; Tasmania, Tasmania, twice; Transvaal, Union of South Africa, once; Victoria, New Zealand, once; and West Australia, Australia, twice. She has journeyed northward to meet McGill, McMasters, and Queens College once each, and Toronto, Canada, twice.

Bates has twice met on the home platform, teams from the British Union and Cambridge, England, as well as the German Union and McMasters once and Oxford four times, and the Philippines, Porto Rico, Queens College, Canada, the Scottish Union, Sydney, and Victoria once each. As her ambitions have grown it has become a matter of habit for Bates to take novel steps in this field. There were the trips to England, the World Debating Tour, and the return visits of her hosts. Now this year has contributed two new milestones. October twenty-first she met the first Scottish team to come to America, in the first international radio debate broadcast in this country. A week later before a crowded chapel a Bates team stood for the first time on the same platform with one representing a non-English speaking nation.

FIRST INTERNATIONAL RADIO DEBATE

The radio debate was broadcasted from the studios of station WJZ, New York, from eight-thirty to nine o'clock and relayed over the National Broadcasting System. Norman Alexander B. Wilson of St. Andrews' University and John M. MacCormick of Glasgow University defended their national characteristic against the veteran debaters, Howard E. Thomas, '31, and Randolph Weatherbee, '32, who sought to prove the proposition that "Thrift is not a virtue".

GERMAN UNION DEBATE

October twenty-seventh Hans Juergen Graf (Count) von Blumenthal and Herbert Schaumann, members of the Deutsche Studenschaft, the national union of students of Germany, upheld, here in their first international debate the affirmative of the proposition: "Resolved, That the principle of Nationalism is a positive evil in the modern world". The home team was Reginald M. Colby, '31, and Randolph A. Weatherbee, '32. Count von Blumenthal, who spoke excellent English, ably and eloquently represented the German team in the open forum which followed the formal debate. His replies covered explanations of the Nationalist movement of Adolph Hitler, the problem of the Polish Corridor, and other points of tension in German domestic and international situations. The interest in the open forum was so keen that only consideration for the tired visitors could adjourn it.

Women Debaters

Lucile Jack, '33 | Shirley Cave, '32 | Rebecca Carter, '33
Thelma Kittredge, '33 | Edith Lerrigo, '32 | Eva Sonstroem, '33

The debating season for Bates women was opened this year by a trip to Vermont. On February 23, a team composed of Edith Lerrigo, Rebecca Carter and Shirley Cave debated the University of Vermont at Burlington and on the next day met Middlebury College at Middlebury. Each time the Bates team upheld the negative of the resolution that "A system of Federal compulsory unemployment insurance be immediately adopted". There were no decisions.

The only home debate of the year was held on the evening of April 7 in the Little Theatre. An affirmative team composed of Shirley Cave, Thelma Kittredge, and Eva Sonstroem argued the compulsory unemployment insurance question with a negative team of three men from Lawrence College. An interesting open forum followed the debate but no decision was given.

Two Bates girls, Edith Lerrigo and Rebecca Carter, enjoyed a trip to the University of Maine this spring. There they upheld the negative of the question: "Resolved, that the United States should recognize the Soviet government of Russia". Maine was the winner by a two to one vote.

The recognition of Russia was again debated with the women of Colby College on April 23. Edith Lerrigo, Rebecca Carter, and Lucile Jack composed the team. This debate was non-decision.

The last debate of the season gave the Bates girls an opportunity to visit Pembroke College, representatives of which were guests at Bates last year. The girls who made the trip were Edith Lerrigo, Rebecca Carter, and Eva Sonstroem. The question was compulsory unemployment insurance.

Though the Bates students have had little chance to hear the women debaters, since there has been only one home debate, yet we are sure that they have had a very successful year and have well represented Bates on the many trips they have made.

The Bates Interscholastic Debating League

This year marked the eighteenth annual tournament of the Bates Interscholastic Debating League which was begun by Professor Baird in 1912. Through this contest in which many high schools in Maine compete, several brilliant debaters are secured for Bates.

Early in the year Professor Brooks Quimby and his assistant, Edith Lerrigo, began to arrange for triangle debates among various high schools. The question for debate this year was: "Resolved, that chain stores are detrimental to the best interests of the American Public".

Of the nineteen groups which took part, seventeen winning teams were chosen to come to Bates for the semi-finals. The following schools were represented: Berwick Academy, Buckfield High School, Calais Academy, Deering High School, Foxcroft Academy, Gardiner High, Houlton High, Gould Academy, Fairfield High, Leavitt Institute, Lincoln Academy, Maine Central Institute, Pennell Institute, Phillips High, Presque Isle High, Portland High, and Woodstock High. Several of these schools were coached by members of the Bates Debating Council.

On the evening of April 17, the high school teams and their coaches, judges, chairmen, and timers met in Chase Hall and were given a welcome by President Gray. Howard Thomas, president of the Bates Debating Council, explained the proceedings of the debates. Under this efficient management, seventeen debates on the question of chain stores were carried on at the same time.

While the votes were being counted, the debaters enjoyed refreshments and movies showing campus scenes. For the first time, six schools succeeded in winning two debates in their respective triangles. The winners of the semi-finals were as follows: Presque Isle High, Phillips High, Houlton High, Berwick Academy, Calais Academy, and Leavitt Institute.

The final debates were held on Saturday morning, April 18. The winner of the state championship of debating was Berwick Academy. The runner-up was Leavitt Institute, the winner in the 1930 contest. Silver loving cups were awarded to these two schools. The members of the winning team were Jane Tyrell, John Wright, Frank Davis, and Howard Norman. The members of the Leavitt team were Hector Lemaire, Harold Hickey, Thurlie Additon, and Hamilton Boothby. Besides the rewards of the silver loving cups both schools were made eligible to attend the national contest to be held at Ripon, Michigan, in May.

Another prize given by the Bates Interscholastic Debating League is a scholarship of one hundred dollars, awarded to the best individual speaker. Harold Hickey of Leavitt Institute won this honor. The scholarship and the loving cups were presented by President Gray.

At the conclusion of the debates, Howard Thomas announced the topic for the Interscholastic League for next year to be unemployment insurance.

William Haviland, '33
Walter Gerke, '32

The English 4A Players this year completely fulfilled the high expectations which have become a habit among their patrons. As a reviewer of one of their performances says in The Student, the Club as a whole "deserves a verbal pat on the back for its choice of plays and admirable casting."

This year only student directors have been used for the regular productions, but the results obtained by Martin Sauer, Dorothy Stiles, Margaret Hines, Dorothy Morse, and William Haviland will stand comparison with that of the former paid coaches. Professor Robinson, whose success in coaching Shakespeare is traditional, spurred the actors in "As You Like It" to outdo themselves.

Perhaps the greatest undertaking of the season was the presentation of "Death Takes A Holiday", a Broadway success, in which several seniors, including Martin Sauer, Dorothy Stiles, and Edwin Milk, who have been unusually active in dramatics during their college career, played stellar roles.

The managers and costumers deserve much credit for their valuable but unseen work.

	JOHN BAKER, '33
	ROBERT LABOYTEAUX, '32
Costumes	SYLVIA NUTE, '31
	CHRISTINE STONE, '32
Business	FRANKLIN LARRABEE, '31

The ninth annual Varsity Play, fittingly celebrating the birthday of "Prof Rob", abounded in character contrasts, interwoven commentaries on love, and conflicting views concerning marriage laws. George Austin as the devasting Mr. Pim, Dorothy Morse as the diplomatic Olivia, and Martin Sauer as the conventional, ultra-respectable George Marden received the evening's honors for professional poise and vivacity, while Dorothy Stiles as Aunt Julia added the necessary vinegar to the dramatic recipe. A finished, almost flawless production, it procured praise enough to divide equally among the coach, the management, and the actors.

	FREDERICK PETTENGILL, '31
	JOHN BAKER, '33
	GEORGE AUSTIN, '33
Costumes	SYLVIA NUTE, '31
	RUTH HARMON, '32
	GWENDOLYN MAXWELL, '32
	CHRISTINE STONE, '32
Business	FRANKLIN LARRABEE, '31
	CHARLES WING, '32

This group of plays proved a pleasing variety, *Moonshine* delighting those who approve of a "heavy plot", reminiscent of O. Henry, *The Pot Boilers,* a burlesque on play rehearsals, appealing to the lovers of sprightly farce. *The Valiant,* a tensely dramatic story of a man about to be executed, transcended mere entertainment. Martin Sauer deserved the praise accorded him both as an actor and a coach for inculcating in the cast of the latter play the powerful restraint that kept it from falling below its level.

Stage Manager	FREDERICK PETTENGILL, '31
Stage Carpenter	WALTER GERKE, '33
Electrician	GILBERT CROSBY, '33
Costume Mistress	CHRISTINE STONE, '32

The English 4A Players took as their last venture one of the most exacting pieces of dramatic work to be presented in Little Theatre. They are to be commended for their courage and success in undertaking the production of this difficult modern drama of life and death.

Martin Sauer made a fine parting gesture to the 4A stage, as did Dorothy Stiles, Gladys Underwood, and Edwin Milk.

Fourth Annual Shakespearean Play

LITTLE THEATRE — HATHORN HALL

As You Like It

Presented Thursday and Friday, March 12 and 13, under the personal direction of Professor Robinson.

The Cast

The Duke	PHILIP CLIFFORD, '34

	George R. Austin, '33
	Walter L. Gerke, '33
	Gilbert Crosby, '33
Costumes	Christine Stone, '32
	Gwendolyn Maxwell, '31
Managers	Franklin R. Larrabee, '31
	Charles Wing, '32

The coaching of "Prof Rob", and the excellent costuming, staging, and acting of the play caused the annual Shakespearean production to supersede any previous performances in Little Theatre of the works of the "renowned William". The lively Rosalind, the love-smitten Orlando, and the melancholy Jacques appealed especially to the packed house. Considering the fragile charm of this pastoral comedy, and its almost complete lack of strong dramatic appeal, the success of the Players is all the more creditable.

The Heeler's Club is a subsidiary to the 4A Club and was organized only two years ago. Membership is given to those who have proved their ability as actors in public try-outs. During the year these members are given the opportunity to read plays before their superiors in the 4A, or to take part in public performances sponsored by the 4A Players. Eligibility for election into the 4A Players requires a part in two plays publicly presented by the 4A Club. The same rule applies to stage or costume apprentices.

The genuine interest and the spirit of cooperativeness prevalent among the Heelers causes them to be of inestimable value to the 4A members who constantly draw from their number to fill roles in their productions. Many of them eventually attain the reward of membership in and the right to wear the coveted charm of the 4A Players.

Pressed by other duties, Professor Crafts, who has directed the band since 1925, this year was obliged to turn over his baton to Gilbert Clapperton, '32. Mr. Clapperton has done remarkable work in his new position, and, aided by an influx of 15 musicians from the class of '34, has succeeded in moulding his organization into "the finest student band in the history of Bates".

Among the features added this year are a new bass drum, presented by the College Club, a new piccolo section consisting of Donald Ham, '33 and John David, '34, a drum-major, John Curtis, '33, and a manager, Harold Henckel, '32. Captain Cleophus Morin, head of Company E, 103rd Infantry, Maine National Guard, has been most generous with his time and skill, drilling the band in marching.

The band has taken a very active part in college affairs, escorting the French Ambassador, Paul Claudel to the Chapel at his reception, playing at all the State series and home football games, and at rallies and student assemblies. It has also played at the Maine State Interscholastic Basketball Tournament held in the Armory, and at the State track meet at Orono.

Macfarlane Club, named for Will C. Macfarlane, former municipal organist in Portland, was organized in 1917 for the purpose of stimulating interest in the appreciation of music on campus. This year the club was enlarged to a membership of forty students, elected from the three upper classes.

Programs consist of lectures on pertinent subjects, with illustrative musical selections by members. High spots this year have been: "Faculty Night", Mrs. Crafts, chairman; "Freshman Night", Almus Thorp, chairman; The "Lenten Vesper Service" in the Chapel, under the direction of Mrs. Crafts; and "German Opera" by Dr. Leonard.

The Bates College Glee Club, under the able leadership of Professor Crafts, has enjoyed an unusually successful season. Its activities started in the fall with the presentation of an entertainment before the Maine State Grangers at their annual meeting in the City Hall. On January 22 a very interesting and enjoyable program was presented at the annual Pop Concert in the Gym, which was sponsored by the musical organizations on campus. The Club went to Rockland, March 20, and later in the spring entertained in Augusta, Bath, Portland, and other places. One of the features of the season was a performance given at the annual alumni banquet at the Twentieth Century Club in Boston.

Muriel Gower, '32	Betty Mann, '32	Crescentia Zahn, '34

Professor Crafts has led us to another banner year. We have added our bit to Glee Club concerts, appearing before the State Grangers at their convention in the City Hall, and again at the Pop Concert. We have also tentative dates at some of the larger cities in this vicinity, including Portland. Our weekly rehearsals are a recreation in themselves, and who doesn't want to be one of us?

Conductor
G. Clapperton, '32

The Bates Little Symphony, under the able direction of Gilbert Clapperton, '32, is the most recent addition to the Bates musical family. Yet, despite its tender years, this carefully selected group of musicians has already won the highest praise for its excellent rendition of compositions of merit.

The members of the Little Symphony have made possible the realization of their conductor's earnest ambition to give to audiences at Bates and elsewhere a varied program comprised of musical bits ranging from semi-classical gems, Argentine tangoes, and extravanganzas to special rhythmical arrangements of current dance melodies.

In addition to the ensemble presentations, Mr. Clapperton has featured the work of the following soloists: Norman De Marco, '34, violin; Clyde Holbrook, '34, cello; Almus Thorp, '34, accordion; and Edward Small, '34, xylophone.

The Bates College Choir may not be able to vie with the music of the angel Israfel, but it has at times been successful in playing "on the heart strings" of a morning chapel congregation until it hesitated in its lettter-reading, whispering, yawning, or last minute lesson-cramming to enjoy the thrilling thunder of a rousing Gloria.

This year the choir has acquired a large number of male singers, including even a lusty-lunged football star, who have added depth and richness to the daily services. The weekly anthem has been weak only in name, for in harmony, volume, and feeling it has been a grateful variety.

As an inspiring force adding vigor and enthusiasm to the choir, Director Crafts has proved indispensable. The soprano soloist this year, Emma Abbott, has also served as president. The Y. W. C. A. and Macfarlane Club appreciate the assistance of the choir in the impressive Vesper services at Christmas and at Easter.

Garnet Revellers

Members

First Tenor, Thomas Gormley, '33

Second Tenor, Bernard Sprafke, '32

Baritone, Edwin Milk, '31

Bass, Howard Paige, '32

These four harmonizers made their debut at the football banquet last fall and they immediately became popular as entertainers. During the year they have filled many engagements; in addition to their presentations of musical tidbits at campus formals they have been featured at various social gatherings in Lewiston and Auburn. Masonic, Rotarian, and State Grange bodies have been pleased with their offerings. Moreover, Prof. Crafts has been happy to use them as featured entertainers on Glee Club trips.

Not content with singing their numbers in the ordinary manner, the Revellers have created special arrangements with pleasing rhythmic and harmonic effects. Included in their repertoire are old, familiar numbers and the latest dance melodies, all presented with a verve and dash which has made them great favorites wherever they have appeared.

It is hoped that the example of the Revellers will be followed by musically inclined students of the future. An excellent quartette, a rare bird in Bates musical circles, should be maintained to carry on the good work started by these four pioneers.

The Cosmos Club was organized in the fall of 1923 to aid students who wished to enter some branch of Christian service in making a choice of their field. It seeks to provide fellowship and to present the problems of the different forms of religious and social work. Special speakers discuss different situations. Groups of members present various phases of outstanding problems. Each spring and fall a simple but impressive initiation ceremony is conducted at Thorncrag.

Most of the members are engaged in some form of active service either as teachers or workers here in the two cities or as leaders in outlying communities. This year the club has furnished programs for local organizations on several occasions.

The purpose of La Petite Academie is to promote "l'esprit francais" among the students who are interested in the French for its language and customs, its beauty and art. Our president, Laurianna Boucher, has conducted all the meetings in French, thus giving an atmosphere that is conducive to a deeper interest in the language. Many interesting programs have been presented under the direction of student groups—including an enlightening story of student life in France by Mr. Bertocci.

One of the most outstanding social functions, the Mardi Gras, is annually sponsored by "La Petite Academie" and "Phi Sigma Iota".

Under the direction of its president, Spofford Club this year has been intent on raising funds in order to bring prominent literary lecturers to Bates, a practice which it will undoubtedly continue in the future.

Contributions to the rejuvenated Garnet also came largely from the club membership and all four editors of the magazine were prominent in the club's affairs.

The custom of bi-weekly meetings was continued through the year, with the stress more upon speakers from the faculty and club members than upon original creative efforts in writing, although several meetings were devoted to criticisms of submitted work. A change in the constitution toward the end of the year was also made to increase the membership quota.

The faculty members of the English Department again were sponsors of the club's affairs, and the first meeting in the fall was held in the home of Dr. Edwin M. Wright, in continuance of an annual custom instituted by him.

The purpose of the Phil-Hellenic Club is to promote interest in Greek literature and life, and is composed of those students who have pursued the study of the Greek language or Greek drama. Several attempts have been made to strengthen the ties of friendship between the members of the Phil-Hellenic and the Greeks of Lewiston and Auburn. There have been many interesting programs, the club has entertained the local Greeks at an informal reception, and the annual Symposium was held this spring.

Honorary Members

Dr. and Mrs. A. N. Leonard

The Deutsche Verein began this year with a spirit of interest on the part of all in the German language, life, songs, and ideals, which has continued throughout the entire year. Besides cultural interest, an atmosphere of sociability has prevailed. The annual party at Thorncrag was in the form of an initiation frolic of a most unusual sort. The annual Christmas party was a decided success. At the various meetings, talks and discussions were given on Schubert, Fugger News Letters, The Beginning of the German States, The German Newspapers, and Edouard Morike. When our campus was favored with the presence of the two German debaters, Graf Blumenthal and Herr Schaumann, the club was especially favored because they gave us an illuminating talk which brought German student life nearer to us. From time to time the club has had the pleasure of hearing Herr Ziller and Fraulein Fischer, both natives of Germany, address us in their native tongue.

Much credit and praise is due to Dr. and Mrs. Leonard and Mr. Buschmann for their active and helpful interest in the club.

Sodalitas Latina began its meetings in October. The purpose of the club has been to give useful and helpful suggestions to prospective Latin teachers. Luthera Wilcox, the chairman of the program committee, has planned interesting meetings, consisting of readings of articles pretaining to Latin subjects, the singing of Latin songs, and the playing of Latin games. In February Miss Murphy, a local teacher, was the speaker at an open meeting. One Tuesday night the Club was entertained at the home of Professor and Mrs. Knapp.

Men's Politics Club

Elmer Mitchell, '32

The Men's Politics Club has had a variety of meetings during the past year at which members of the club and invited guests spoke on different subjects related to the field of Government and Economics. Some of these subjects were "The November Elections", "The Constitution", "Communism", and "Another European War". Mr. Vincent W. Canham, Agricultural Editor of the Sun-Journal, spoke on "The Federal Farm Board and Its Operations", and Professor Mabee addressed the club on "China".

The event of chief interest was the open meeting on "Communism", at which Honorable John E. Nelson of Augusta, Congressman from the third Maine district, spoke.

As this is being written attempts are being made to have the Honorable William Tudor Gardiner, Governor of Maine, speak at an open meeting on the reorganization of the State Government.

Women's Politics Club

Constance Curry, '32
Althea Howe, '32

The Women's Politics Club, whose membership is composed of upper class women who are majoring in the social sciences, has been carrying on a very interesting study of South America. The meetings have been in charge of different members of the club, and the historical, social, economic and political phases of South America have been presented.

Miss Ursula Hubbard from the Carnegie Peace Foundation was a guest of the club for a week-end, and at an informal dinner in the Women's Locker Building gave an interesting account of her visit to the Peace Conference at Geneva.

In harmony with the objectives of the Phi Sigma Iota, a careful program has been prepared for our meetings this year. We are trying to hold our standards high and to require the preparation of such papers as might reasonably be expected of those who merit membership in an honor society of high standing.

This year our girls are making a careful study of some women of France whose accomplishments have not given them a place in literature courses, but who, nevertheless, have made very definite contributions to the civilization and culture of France. The subjects assigned to the men also demand careful research, and include *The Influence of Ossian on the Romantic School of Writers, The Influence of Richardson on Diderot, Rousseau as a Forerunner of Romanticism, Influence of Scott on Balzac, Influence of Astrée on the Seventeenth Century*, and a comparison of Corneille's *Cid* with the so-called Spanish Model, etc.

A definite drive to secure funds in order to send delegates to the National Convention has already been started.

Jordan Scientific Society

Officers

President, George H. Kent, '31

Secretary-Treasurer, John T. Manter, '31

Since its organization in 1910 in honor of the late Dr. Lyman Granville Jordan, this society has enjoyed a long, active history. Its purpose is to vitalize the study of science and to stimulate independent thought and action in this field. Meetings are held twice a month, at which the members present original demonstrations and discussions. Motion pictures on scientific subjects are brought to campus. This year some very interesting visits were made to inspect movietone and vitaphone apparatus in actual operation, and to study photo-engraving, X-ray apparatus, and the like.

The traditional Jordan Scientific Exhibit was again featured March 5 and 6, in conjunction with the Lawrance Chemical and Ramsdell Scientific Societies. This biennial display never fails to attract the public to its interesting revelations of the wonders of science.

Lawrance Chemical Society

Officers

President, Guy S. Herrick, '31

Vice-President, Hayward W. Higgins, '31

Secretary-Treasurer, Lloyd M. Potts, '31

Milan A. Chapin, '32

Honorary Members

Dr. W. A. Lawrance
Dr. F. C. Mabee
Prof. W. G. Stewart

This organization, the youngest of the scientific societies of Bates College, was founded in 1928 by members of the classes of '29 and '30. The Lawrance Chemical Society was named in honor of Dr. Walter A. Lawrance, and has for its aim the promoting of a broader interest in chemistry.

At the meetings this year, papers on either original work or on interesting developments in some field of chemistry have been presented by members of the organization. Several outside speakers also have addressed the society on various chemical subjects. In March, in conjunction with the other scientific societies on campus, a successful exhibition was held.

Ramsdell Scientific Society

Officers

President, Florence White, '31

Vice-President, Aubigne Cushing, '32

Secretary, Clara Royden, '31

Members

Violetta Beal, '31	Clara Royden, '31	Augusta Cohen, '32
Dorothy Christopher, '31	Mina Tower, '31	Aubigne Cushing, '32
Louise Day, '31	Florence White, '31	Gwendolyn Maxwell, '32
Harriet Green, '31	Elizabeth Best, '32	Rosamond Nichols, '32
Sylvia Nute, '31	Muriel Bliss, '32	Christine Stone, '32

Ramsdell Scientific Society, named in honor of Professor G. T. Ramsdell, is composed of fifteen members from the junior and senior classes. Each member must profess an interest in science as well as be recommended by the heads of two science departments or doubly recommended in one department. The bi-monthly meetings are participated in by every member, each one giving a scientific fact of general interest with reference to recent discoveries, after which all the members join in discussing it.

The program for this year included a trip to St. Mary's Hospital where we saw a wonderful equipment of the X-ray, a visit to the shoe factory, and an inspection of a vitaphone at one of the theatres. At other meetings, papers were read by the members in the fields of Archeology, Medicine, and Paleontology, or by some of the professors, including Mr. Lewis and Dr. Whitehorne.

This year, Ramsdell Scientific cooperated with Jordan Scientific and Lawrance Chemical in the biennial Scientific Exhibition.

Lambda Alpha, the only association at Bates College restricted to Lewiston and Auburn girls, was formed in 1925 to provide its members with a study and recreational center on campus, as well as to serve as a means of bringing them into closer association with the campus co-eds.

Lambda Alpha had a novelty booth at the annual "Y" bazaar, and after Easter vacation sponsored a Saturday night dance at Chase Hall. This was in the form of a Country Club dance and proved to be a very successful affair.

Alethea is an English club composed of Junior and Sophomore girls who are interested in the study of literature.

The purpose of the meetings, which are held every two weeks in the various dormitories, is to give Bates girls a chance to get together to discuss authors, both classic and modern, and their literary works. In this way the members are given an opportunity to become acquainted with some prominent men and women of letters and to have short social gatherings.

The meetings are brought to a close each year with the annual banquet at Paradise Farm in May.

The largest and most popular student organization on campus is the Outing Club. This year its activities have been numerous and especially enjoyable, due primarily to President Russell Chapman's ability to create a cooperative spirit among a board of directors whose members have been eager to work.

There has never before been a rally nor an Outing Club picnic at Bates so well attended and so much enjoyed as the All-College picnic-rally held at Thorncrag early in the fall, on the eve of the Norwich game.

A great many students were privileged this winter to learn the art of skating on the All-College rink which the Outing Club sponsored. The men, with Chapman's physical help and under his guidance, diligently tried to keep the new rink's surface free from snow, and good skating was enjoyed much of the time.

The toboggan chute was officially dedicated early in the winter and placed under the supervision of Norman Whitten. Those students who desired a speedier type of recreation than skating made frequent use of the Outing Club's Toboggan equipment.

The Winter Carnival was said by some members of the faculty to have been the best in years, despite the defeat of the Winter Sports team in the State meet. A beautiful white blanket of snow, accompanied by a clear, snappy cold wave, helped make the affair a success, and an unparalleled enthusiasm prevailed among the students. The events had long lists of competitors and the winners were awarded neat medals and pins which bear the Outing Club design. Much credit is due to John Fuller, the general chairman of the Carnival, and to the various committees, for the efficient management of the program.

At all times during the year there have been committees to oversee the improvements of cabins and the purchasing of new equipment. Doctor Sawyer and Coach Thompson especially have been very active in this respect and the directors appreciate their kindly efforts.

An Outing Club trip to some nearby mountain is being anticipated, but the plans have not been completely arranged.

The officers of the board are now endeavoring to devise a method of electing directors whereby it will be necessary for a candidate to have previously served the Club in some way. It seems almost necessary to give students who are not already directors but who might desire to become such, an incentive to work for the Club's interest.

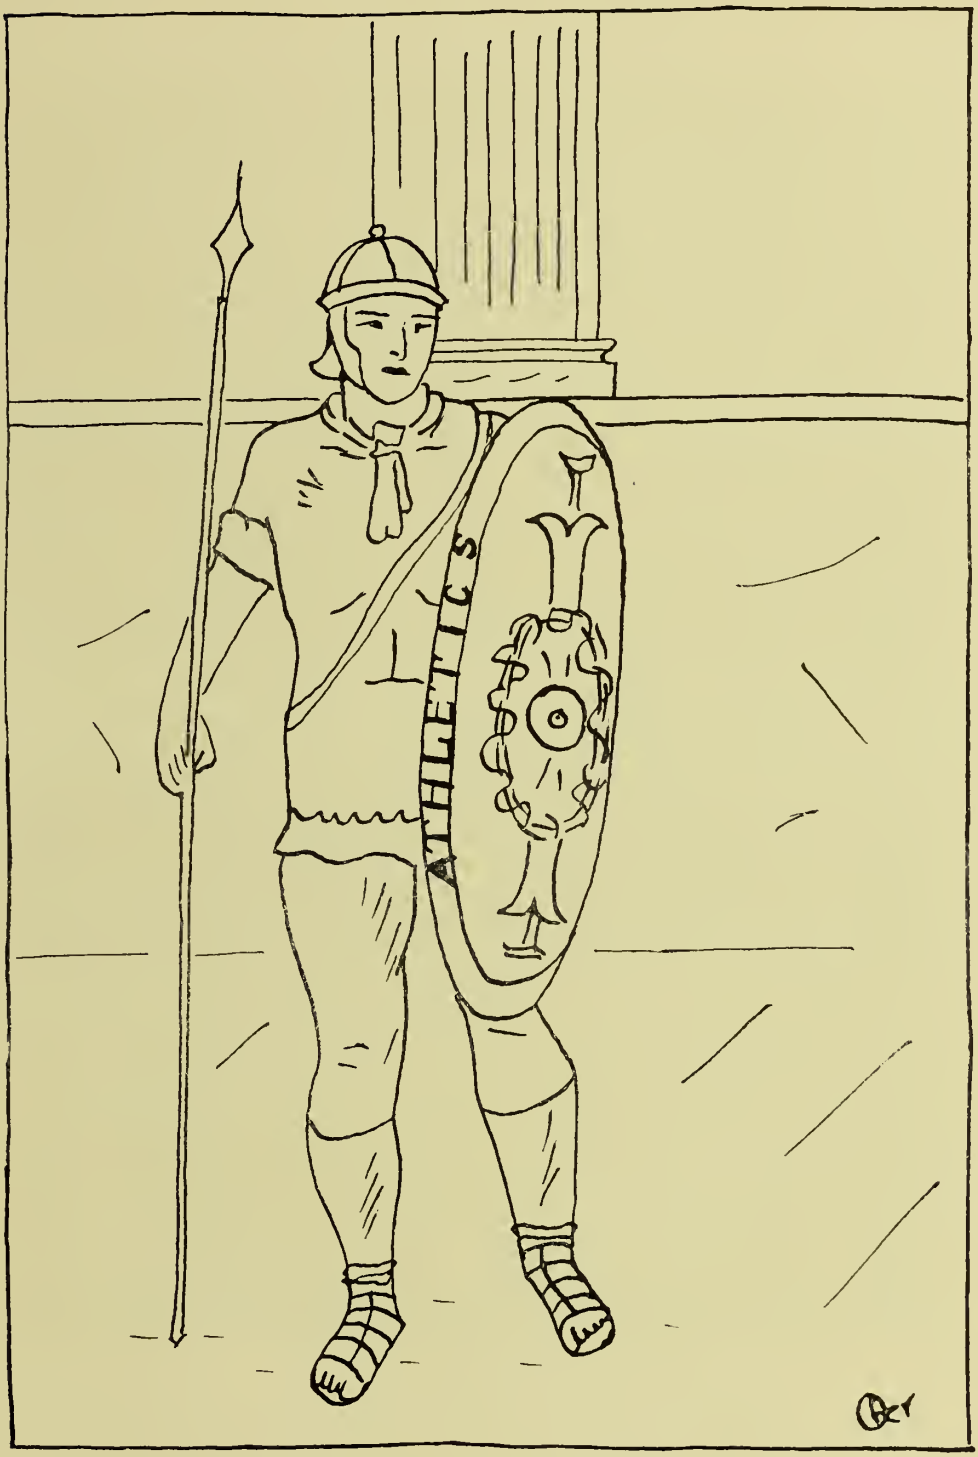
A TIME FOR WORK—AND

A TIME FOR PLAY



ATHLETICS

C. RAY THOMPSON

Dedication

To a builder of men, to a coach who has made the name of Bates a synonym for brilliant track teams, to a leader under whose guidance the power of the Garnet has been felt from East to West, this section of the 1931 Mirror is gratefully dedicated.

A genial smile, an intelligent understanding of human nature, patience, and the ability to inspire—all these attributes serve to make Coach Thompson the ideal guardian of a college sport. While bringing to Bates national titles and country-wide acclaim he has never lost sight of the fact that the ultimate aim of all athletic endeavor should be the development of character and sportsmanship.

In his years here Coach Thompson has displayed an agreeable personality, an energetic spirit, and a loyalty undeniable, yet the most singular tribute which can be paid him is to say that on his teams are to be found the finest types of American youth, reflecting in their bearing his own modest and unassuming self.

The Bates Varsity Club, in the course of its existence, has experienced both good and bad years. Under the leadership of Ben Chick, however, the year 1930-1931 has been most successful. The sweeping athletic victories scored by the college gave added prestige to the wearers of the "B", who, only, are eligible for membership in the Club, and fired them with the desire to initiate new enterprises.

One of the most important achievements of the Club during the year was the part it took in bringing the New England Track and Field Meet to Bates. Early in the fall the organization advised the athletic council of its favorable attitude toward the move, and urged that everything possible should be done to induce the N. E. A. A. to bring the Meet to Garcelon Field. It also expressed its willingness to cooperate in any way toward the success of the undertaking.

The first meeting of the year was held during Freshman week to welcome the men of the incoming class. It was held in Chase Hall in the form of a general get-together around the fireplace, and served as a means of imparting a few of Bates athletic traditions to the class of '34, as well as giving them an opportunity to become acquainted with the college's athletes.

During the football season the Club sponsored pre-game rallies, and on the evening of November 11 a bonfire was held on Mt. David to celebrate the winning of the State football and the New England cross country championships.

Following the Bowdoin game the "Back to Bates" night was held in the gym. Besides being a financial success this event was one of the most enjoyable held on campus this year, fittingly closing the celebration occasioned by the defeat of the Polar Bear. From the proceeds the treasury netted a sum sufficient to carry on the activities of the Club for the rest of the year.

Contrary to the custom of previous years, the athletic certificates were awarded in chapel during Student Assembly, and at the same time all members of the championship cross country and football teams were awarded gold track shoes and footballs.

In November a meeting was held, preceded by a very satisfying dinner, at which Harry Rowe outlined a program which he suggested the Club might profitably follow in its efforts to perform helpful services to the student body. He suggested that the members see to it that regular monthly meetings are held, that the right kind of men are nominated to represent the students in college affairs, that suitable men from high and prep schools be entertained on campus and made acquainted with Bates, and that an attempt be made to encourage and aid all athletes to keep up in their studies.

New members were initiated in the men's gym on December 12, and on December 15 a banquet was tendered them at Chase Hall. Ralph Kendall, a former Bates athlete, was the speaker of the evening. An invitation dance for Varsity Club members and their guests was held, March 26.

The Varsity Club played its customary important role in the running of the Annual Interscholastic Basketball Tournament. Practically all of the members cooperated with the Athletic Association by serving as ushers, scorers, timers, or team guides, and aided materially in handling the largest crowd ever to attend the games. In the state championship tilt of March 21 the Varsity Club also assisted in caring for the throng that packed the Lewiston Armory.

Throughout the year various high and prep school teams have been entertained by the Club, and given a real insight into college life. This action is designed to induce the type of men to enter Bates who would raise the standard of the entering classes.

The Varsity Club is constantly aiming to further develop Bates athletics, and every year is seeing more ways in which it can help. Its opportunities seem unlimited, and the present group feels that the succeeding members of the organization will function on a bigger, wider scale, improving and advancing the policies of the athletic association whenever a change seems beneficial.

Closely paralleling his initial success of 1929, Coach Morey, for the second consecutive year, guided one of the flashiest and most powerful teams ever to represent Bates on the gridiron through a highly successful season that again culminated in the winning of the State Championship. Aggressiveness and strategy, combined with a thorough mastery of the fundamentals, were the pistons that drove the Garnet machine on to victory, while Morey's typical "offensive" defense enabled the team to keep its goal-line unsmirched. As in the previous year, short, quick, perfectly-timed line thrusts characterized the Bobcat attack, but occasional resorts to an efficient aerial game, and backfield plays stressing deception, made them a much more dangerous combination than in 1929.

Among the candidates who responded to Coach Morey's call in the fall were ten veterans of last year's champion eleven, and a letter-man of two seasons ago. With this group as a nucleus, the Garnet mentor built up the framework of his team, rounded it out with the material from last year's Freshman squad and the more experienced of the upperclassmen, and endowed the whole with an indomitable fighting spirit.

Once again it was the inspired play of Captain "Red" Long that fanned the smouldering fire of combat in his teammates into an irresistible flame of victorious spirit. Under his tireless leadership Kenison, Carnie, Berry, Shapiro, Fuller, and Italia worked havoc on all opponents, regardless of weight or reputation, and repeatedly piled up opposing backs behind the line of scrimmage. As for the backfield, Valicenti's generalship was unsurpassed; Brown and Chamberlain lived up to their reputations as hard-driving ball carriers; Garcelon and Bornstein specialized in speed and deception; McCluskey's line-bucking, punting, and savage tackling were of consistently high calibre; while Farrell rose to the very heights of stardom by his various exhibitions of broken-field running that resulted in long and spectacular gains.

At the close of the season Long, Kenison, Berry, Fuller, Valicenti, and Farrell were mentioned on the Portland Sunday Telegram's All-Maine eleven. "Red" Long was also named All-New England guard for small colleges, and received honorable mention for All-American by the Associated Press sports' writers.

Bates 26 Aggies 0

"Gus" Garcelon, '31

Amherst, September 27—An early indication of the tremendous power that was to carry the Garnet eleven to its second straight State Championship was manifested in the opening game of the season when the rampaging Bobcats clawed their way to a four-touchdown victory over the Massachusetts Aggies. Except for the first period when they did show some semblance of a defense the Aggies were helpless before the most vicious, unrelenting attack shown by a Bates team in many years.

The first score came early in the second period after an Aggie punt had been blocked, Ted Brown crashing through the heavy but unwieldly Bay State line for the touchdown. This six point handicap, accompanied by the crushing tackles of their opponents, completely broke the spirit of the Amherst collegians, so that early in the second half Kenison found it exceedingly easy to slip under one of Valicenti's long passes and, snatching the ball in mid-air, to step over the goal line with it.

One other touchdown came in the third period, Brown and Chamberlain alternately pounding the Aggie line to put the ball in a position where the latter could carry it, and various members of the Agricultural eleven in the bargain, over the double stripe. The final tally came in the last quarter with an entirely substitute eleven representing the Garnet. Garcelon did some superb running in his first major test, while McCarthy carried the ball across.

With the exception of Jekanoski, promising end, who broke his leg, the Bates team came through the encounter in excellent condition. With its victory, rumblings of the intense campus spirit that had been revived in 1929 began to increase in volume, and an eager and hungry Bobcat began to sniff expectantly, in anticipation of the coming tilts with the Bears and the Mule.

Dartmouth 20 Bates 0

Hanover, October 4—Thrown off its guard by the unexpected fury of an inspired Bobcat, the Big Green eleven of Dartmouth was humiliated and repulsed in its attempt to roll up a big score against the much lighter aggregation representing Bates. Any glory which Dartmouth may have hoped to reap from the victory was completely obliterated in the memorable second half of the encounter when, under the fiery leadership of "Red" Long, the wearers of the Garnet refused to respect either persons or reputations, and fought to a complete standstill the devastating attack of the Hanoverians that was later to beat Harvard. No amount of persuasion could induce Coach Morey's men to allow anyone in a green jersey to run around loose with a football about his person, and Wolff, Crehan, Frigard, and others of nation-wide prominence failed to add anything to their prestige during the afternoon.

A long drive by Dartmouth in the first period while the Bates eleven was suffering from stage fright culminated in a touchdown, and two more were

"Bunny" Bornstein, '31

registered before the end of the half. One was something of a fluke, however, resulting when Bromberg unsuspectingly ran into the ball after a blocked punt and stepped over the goal line with it.

Dartmouth threatened once in the second half, but Bates held on the three-yard line. McCluskey's fine punting and some clever running by Garcelon kept the Green constantly in trouble the rest of the day. The five thousand or so fans who assembled to view a massacre were treated to the unusual spectacle of seeing the underdog use its reserves to give the first-string men of the opposition plenty to think about.

Wolff, Clark, Frigard, and Bromberg stood out for Dartmouth. The whole Bates team far exceeded expectations, Kenison, Carnie, Fuller, and Long in the powerful Garnet line especially cooperating with Valicenti, Garcelon, and Brown of the backfield to make Bates the most talked of team in New England the following week.

Bates 7 Norwich 0

Garcelon Field, October 11—Plainly showing the effects of the strenuous game with Dartmouth, the Bates eleven succeeded in downing the vastly underrated Norwich Cadets by a lone touchdown. The game was marked by excellent defensive play in all quarters, but owing to the sweltering heat and the crippled condition of the Bates team little offensive power was displayed.

For three periods the pigskin changed hands in mid-field with monotonous regularity, both sides playing carefully. Fanos, the visiting center, turned in several sensational tackles, as did his teammates, Delvecchio and O'Brien. The Garnet forward wall functioned with its characteristically effective precision, but lacked the spark that fired it to brilliance against the Big Green.

As the fourth quarter started Bornstein replaced Farrell at half, and on his first play raced 55 yards around left end to within four yards of the double stripe. Even then the Bobcats were unable to bring themselves out of their lethargy, and Norwich took the ball away from them after a valiant goal-line stand. O'Brien punted to mid-field and comparative safety, but Bornstein was not to be denied. This time the "mighty atom" received a pass from Valicenti and scampered to the one-yard line before being stopped. Valicenti made the touchdown and annexed the extra point.

The results of the game were disappointing to Garnet followers who had undervalued the Norwich horsemen, but the torrid weather and a natural let-down following the previous Saturday's terrific battle made fast, rugged football both difficult and inadvisable.

Rhode Island 13 Bates 0

Kingston, October 18—Led by Goff, one the highest-scoring fullbacks in the country, the Rhode Island State University gridmen defeated the fighting Bates team by two touchdowns in a game that was much closer than the score would indicate. The play in the first half swung from one end of the field to the other, neither eleven able to break through the stubborn defense of the other. Rhode Island scored once in the third quarter and again in the last, on long passes that the Bates secondary covered poorly. Goff was easily the outstanding player on the field, but Long and Berry in the Garnet line were very effective, while Chamberlain's punting featured the backfield work of the Moreymen.

The State Series

Final Standing of State Series

"Johnny" Fuller, '31

	G.	Won	Lost	Points	Opp'ts Points	Pct.
Bates,	3	3	0	29	0	1.000
Colby,	3	1	2	26	35	.333
Maine,	3	1	2	21	21	.333
Bowdoin,	3	1	2	20	40	.333

Bates 2 Maine 0

Alumni Field, Orono, October 25—Mud was ankle deep and a driving rain swept the field as Bates kicked off to Maine in the series opener. The Bricemen opened up a strong attack featuring the celebrated spinner play. With Romanski doing most of the ball carrying, they pushed the Garnet back forty yards on three first downs before their drive was finally checked. Cal Chamberlain, punting remarkably well, kept the Bear at bay and no sustained offense was attempted by the Bobcat.

Going into the second quarter Maine failed in an attempt to make a yard for first down on its last chance, and Bates took the ball on their opponents 45-yard line. Playing a cautious and conservative game the Moreymen punted on second or third down each time the ball came into their possession, and, after a couple of exchanges, Chamberlain was able to place a well-directed boot off-side on the 4-yard line. Bagley, standing well behind his own goal-line, prepared to kick. The ball came back, a little high and wide, but well within his reach. The Maine quarterback reached for the wet, slippery pigskin, touched it, but was unable to hold it. It fell behind him, and turning quickly, he scooped it up and made a game attempt to carry it out of danger. However, an avalanche of Bates linemen brought him to earth behind his own goal-line, making it a safety and two points for the debaters.

No further attempt to score was made by the Garnet men. They made way for the break, were ready for it when it came, and, once in the lead, left not the slightest loop hole through which their opponents could squeeze out a touchdown. The defensive play was naturally the most prominent feature of the victory and the Garnet forward line, with Abe Mandelstam substituting at right end, excelled in this department. Considering the very unfavorable conditions, Chamberlain's punting was outstanding, and it contributed materially to the Bobcat's second straight win over the State University.

Bates 13 Bowdoin 0

"Sam" Kenison, '31

Garcelon Field, November 1—The game started with Bates kicking off and preparing to solve the highly-vaunted Bowdoin attack that had not been effectually stopped all season. That the solution was not long in appearing is evidenced by the fact that immediately after Ricker had opened the game with a brilliant dash around left end for fifteen yards, the White was thrown for losses on three consecutive plays.

Near the end of the first quarter the Bates eleven opened up its strong offensive which had been latent since the early season encounter with the Aggies. McCluskey carried the ball 21 yards through the line, and he and Ted Brown made another first down in three plays before the period ended. Bowdoin stopped the Garnet rush after the intermission and came back strongly, Morrell making his best gain of the day, a 14-yard jaunt through left tackle. But on the next play Carnie tackled Foster for a loss and Bowdoin soon punted. McCluskey made a first down in two shots at the line. Then Ted Brown took the ball through the oversize space left in the Bowdoin line by the forced departure of his big namesake who held down the opposing tackle position, and carried it 26 yards to the Bears' 32-yard line. Bates was momentarily stopped here, but shortly afterwards a pass, Brown to Kenison, which netted 15 yards, and a run by Farrell, put the ball on the Bowdoin 30-yard line. Brown immediately tossed another perfect pass to Kenison, who dropped the ball after seeming to catch it fairly, and the Bates offensive was terminated by a fifteen-yard penalty, imposed because of the vigorous manner in which Kenison resented being tackled after the whistle had blown.

The third quarter was uneventful, but early in the final period McCluskey, kicking from regular formation, placed the ball out of bounds on Bowdoin's ten-yard line. Foster lost six yards and Ricker got away a hurried punt to his own 38-yard line. Three shorts at the line netted only two yards for Bates, but on last down Sam Kenison wrapped his arms around a bullet-like pass from Brown and ran five yards to make a total of 17 yards on the play. Sid Farrell then proceeded to give his first performance of the open field type of running that was to earn him the title of "Spook", and by twisting and sliding away from several would-be tacklers he advanced the ball to within one yard of the goal. Without stopping to look for an opening, Ray McCluskey opened up an air attack all his own, and dived over the line for the first tally. Valicenti drop-kicked the point.

The Bobcat now had tasted Bear meat and was not to be content with one touchdown. Kenison soon blocked a punt on Bowdoin's 19-yard line, and Brown pounded eleven yards through left tackle. Brown and McCluskey made three apiece on consecutive plays and Bunny Bornstein, replacing Farrell, ran around end untouched for the second touchdown. Another Bates rush was halted by a penalty, and during the rest of the game Bowdoin threw long forwards in a wild attempt to score; but the final whistle found Bates in possession of the ball deep in the Polar Bear territory.

Bates 14 Colby 0

George Carnie, '31

Garcelon Field, November 11—The largest crowd ever to gather on Garcelon Field had wedged its way into the bleachers just before Carnie kicked off to Karkos to open the game which was to decide the championship of the State. The first period was marked by conservative playing by both elevens, with Ray McCluskey performing creditably in a kicking duel with Wally Donovan.

Glazier of Colby blocked a punt on the Bates 30-yard line near the end of the quarter, and after the intermission the Mule made its only serious threat of the day. Donovan made a first down in two attempts but Bates held twelve yards from its goal, the farthest it had been pushed back in the entire State Series. Shortly before the half closed Ted Brown gave the Bates rooters a thrill by plunging and plowing straight through the line for 23 yards, but a 15 yard penalty nullified his efforts. As the half ended Colby was losing ground though still retaining the ball.

The third period will live forever in Bates athletic history. Johnstone took the Bates kick-off back to midfield and Colby kicked to the Bates 20-yard line. A few moments later Sid Farrell was traveling due North with full speed ahead, the pigskin ellipsoid tucked snugly under his arm. He had come through a gaping hole in the Colby line and, making several enterprising tacklers dizzy with his spooklike twisting, he proceeded to run around the big Colby captain, and then to lead him a merry eighty-yard chase down the field. Donovan did manage to trip him just before he crossed the goal-line, but Sid slipped over the double stripe. Valicenti calmly kicked number seven. Evidently Farrell disliked having ill-intentioned Colby men trying to retard his progress, for a few minutes later, after an exchange of punts, penalties, and passes, he was again headed in much the same direction, carrying the same precious burden. This time not even the great Donovan could catch him, and he crossed the line standing up after a 25-yard run. And Pete repeated.

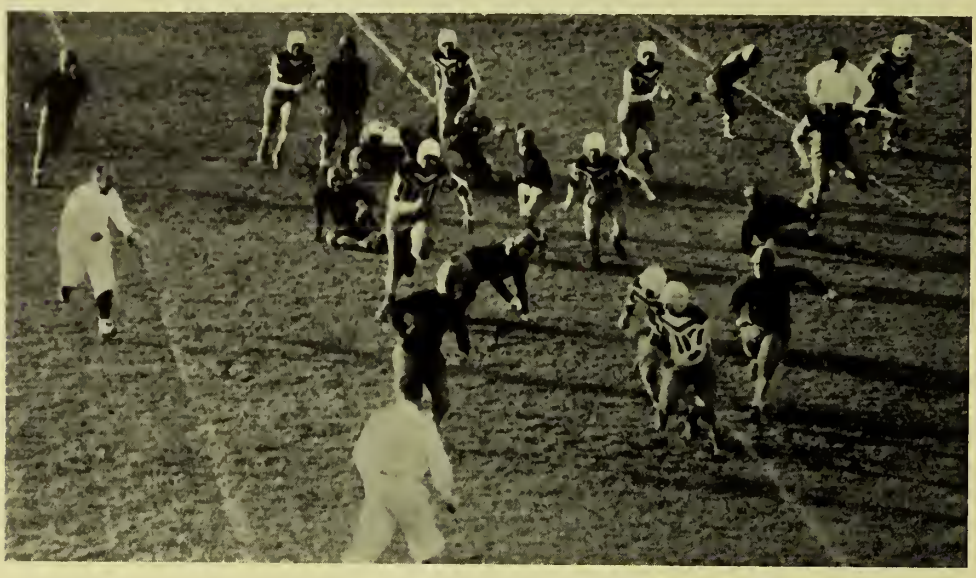
The last period was filled with brilliant short dashes, bullet-like passes from Brown to Kenison, and now and then an attempt for a field goal by Valicenti; but the game was won. The Garnet, satisfied with its season's work, appeared to relax. Its sturdy forward wall had already demonstrated its ability to outplay heavier opponents, and its backfield had showed that it could develop punters, line-plungers, or ghost-runners as the occasion demanded. Even before the end of the game, scores of bonfires, set by exultant fans, sent columns of smoke high into the air to proclaim that Bates, under Dave Morey's guidance, and "Red" Long's inspired leadership, had won another State Championship.

Freshman Football

Despite the fact that conditions made it impossible for them to demand the undivided attention of a coach the young Bobcats of 1934 met with better success than is usually expected of a freshman eleven. That they were able to win one game by an overwhelming margin and to tie another on their schedule which included encounters with E. M. C. S., M. C. I., Coburn Classical Institute, and Kent's Hill was due more to the individual abilities of the men who made up the team than to power as a smooth-running machine.

The Frosh opened their season on Garcelon Field, October 24, with E. M. C. S. in a game which ended in a scoreless tie. The offenses of both teams were hindered by the muddy condition of the field but brilliant defensive play was everywhere in evidence, with Burns, at tackle for the yearlings, time after time nailing the opposing backs before they had left their tracks. The bright spot of the season came on October 31, when the Frosh ran over M. C. I., 39 to 0. Kendrick, Marvel, and Soba in the backfield, and Moynihan at end, with some excellent help from the linemen, gave the Bobkittens unexpected power. Marvel's 80-yard run for a touchdown from the kick-off in the third period was the feature of the game. On November 7, Coburn took home a 6-0 victory after a battle replete with sudden reversals. This was the most bitterly contested game of the season and the defeat of the Frosh was due to their failure to click as a unit, especially when deep in Coburn territory. A clever passing attack which Coach Spinks' men failed to solve enabled Kents Hill to get away with a 21-7 win on November 14. The Sophomores won the annual Frosh-Soph game by a score of 13-0.

The following men were awarded 1934 numerals: A. S. Appleby, R. H. Burns, Jr., F. P. Gross, B. F. Harkins, D. B. Hickey, P. Kendrick, B. M. Loomer, R. J. Marvel, J. G. Moynihan, F. S. Murray, F. B. Soba, M. F. Tabbut, A. M. Thorp, E. E. Toomey, N. E. Varney, W. V. Wallace, W. M. Whalen, and H. L. White.



"Ted" Brown, in second period of Bowdoin game, breaking through for long gain that nearly brought touchdown to Bates.

Start of "Sid" Farrell's 76-yard jaunt in Colby game that gave State Championship to Bates. Perfect team work has given the Garnet halfback a big opening.

R. H. Chapman, '31
N. E. Whitten, '32
W. J. Furtwengler, '32

The combination of veteran harriers which Coach Thompson guided to a State and New England Championship in 1930 proved to be one of the greatest Cross Country teams ever to represent Bates. Led by their intrepid captain, Wallace Viles, and Norman Whitten, indefatigable junior, the hill and dale men were able to win every race with ease and to come near a record score at the New Englands without being seriously pushed. Owing to the fact that the A. A. U. ruling limiting athletes to only three years of intercollegiate competition in track would exclude many of its men from competition, the Garnet was not represented at the annual I. C. A. A. A. A. meet.

A Perfect Score at Northeastern

Running side by side over the last mile and a half of the five and a half mile course at FranklinField, Boston, seven Bobcat harriers finished arm in arm to open the 1930 Cross Country season with a 15-50 victory over Northeastern, October 15. The whole Garnet pack was ahead of its nearest rival after the three mile mark had been reached, and for the remainder of the way was never threatened. The showing of the team as a whole was extraordinary for an early season meet.

Summary

Tie for first:
Viles, Bates
Whitten, Bates
Hayes, Bates
Hobbs, Bates
Furtwengler, Bates
Jones, Bates
Chapman, Bates
8. Greenleaf, Northeastern
9. Elliott, Northeastern
10. McCrudden, Northeastern

The Springfield Meet

Finishing seven men among the first nine the Garnet hill and dalers had little difficulty in winning over Springfield, 19 to 36, on October 24. The race was over a four-mile, Pole Hill course, shortened from the regular distance to aid the Springfield men who had been training over a shorter route. Whitten, '32, won individual honors from Olmstead of Springfield. Captain Viles, who had been ill in the infirmary for several days, did not exert himself unnecessarily and was content to take ninth place.

Summary

1. Whitten, Bates
2. Olmstead, Springfield

Tie for third:

Chapman, Bates
Hobbs, Bates
Hayes, Bates

6. Jones, Bates
7. Anderson, Springfield
8. Furtwengler, Bates
9. Viles, Bates
10. Bohn, Springfield

The First Championship of the Year

The Bates Cross Country men won their second straight State Championship when they defeated the University of Maine at Orono on October 31 by a 24-32 score. Norm Whitten again was the first place winner and his time of 27 minutes and 32 seconds over a rough five-mile course was better than ordinary. Gunning and Brooks, the Maine Co-Captains led the pack at the outset, but Whitten stepped out ahead at the three-mile mark and succeeded in holding his lead in spite of the great fight of Gunning who pressed him continually. Hayes of Bates, running one of his best races, finished third, a second and a half after Gunning. Booth, Maine's Sophomore flash, outsprinted Hobbs, who ran well within his limits, to take fourth. Viles, who had not fully recovered from his illness, was bothered by cramps and Furtwengler ran half of the race with a painful fallen arch. Buck Jones, who was a consistently good performer all season, also ran one of the best races of his career to finish in sixth place.

Summary

1. Whitten, Bates
2. Gunning, Maine
3. Hayes, Bates
4. Booth, Maine
5. Hobbs, Bates
6. Jones, Bates
7. Brooks, Maine
8. Mank, Maine
9. Furtwengler, Bates
10. Viles, Bates
11. Fuller, Maine
12. Chapman, Bates

Two Straight at the New Englands

Another title was registered for Bates on November 10 when the Bobcat Cross Country men, for the second consecutive year, led New Hampshire and Maine to win the New England Championship at Franklin Park, Boston, with the near record score of 32 points. Whitten, although bothered by cramps at the outset, was able to cut down the lead of Hazen of New Hampshire, the first place winner, to one hundred yards. Hobbs, the next Garnet runner to finish, was in sixth place, this being the position in which he had finished in the title race for the previous two years. The combination of Viles, Hayes, and Jones, which led the Freshmen of 1931 to many victories, put the meet on ice by finishing in a triple tie for seventh place. Chapman was seventeenth and Furtwengler, still bothered by his fallen arch, was thirty-second.

Summary of Teams' Scores

R. I. State,	20	26	37	44	46	173

Freshman Cross Country

The yearling harrier squad was so large this fall, and contained such a wealth of material, that Coach Thompson was able to form two groups of runners, each of which performed creditably against teams in its own class. Team A, which met the stronger opponents, defeated Freeport High School, and took sixth place in the New England race for college freshmen. The only team to defeat them in a dual meet was Pennell Institute, the champion state schoolboy aggregation. Team B, which saw more competition, defeated several strong outfits from various high schools, including Sabattus, Litchfield, and Mechanic Falls.

Although the whole of Team A was very well balanced, Butler, Raymond, and Semetauskis were consistently the outstanding performers. The following men were awarded their 1934 numerals: G. C. Adams, S. J. Semetauskis, H. R. Johnson, B. T. Drew, S. L. Raymond, W. F. Flint, B. W. Dunfield, R. M. Butler, and D. R. Smith.

Aggressiveness in every department, the ability and inspiration of Coach Gelly, and the willingness of the men to learn from a new pilot enabled the Bates icebirds to overcome the obstacle of inexperience in defeating Bowdoin and Colby for their second consecutive State Hockey championship.

Confronted by a squad which had been considerably depleted by graduation, the new Bates coach concentrated at first on imparting only the mere fundamentals of the game to his men, and for the first few weeks was content to put a team on the ice that could skate and carry out assignments creditably. Then, smoothing off the roughness, he perfected a fast, hard-checking, well-co-ordinated machine that was successful in all its encounters with the Maine colleges until the championship was definitely won. The flashy skating and clever stickwork of Captain "Gus" Garcelon and Ray McCluskey were the outstanding features of two forward lines that piled up scores while the rugged defense play of Sam Kenison and Cal Chamberlain kept opposing wings in check. The goal work of Sid Farrell, consistently far above the average, was another vital factor in the Garnet's surprising dash to the position of undisputed ruler of the Pine Tree State league.

The team got away to its usual slow start, dropping its opening game to the Mass. Aggies, 5 to 2, on January 10. The visitors used an excellent passing attack, and had little trouble repelling the offense of a Bates team that showed lack of practice and little team work.

Two days later the unpromising situation was brightened by a 3-2 victory over Bowdoin in the series opener. Both teams showed a decided lack of

organization, but Bates was more aggressive and kept the play around the Bears' goal most of the time. The game was extremely rough, hockey sticks were often discarded in favor of gloves, and penalties were dished out freely.

The Garnet puckmen met with little success on their out-of-state trip which included games with New Hampshire and West Point. The Durham boys were on the long end of a 6-0 score, and two days later the Army won, 7-1. The Bobcats were seriously hampered by a lack of reserve material, which for some reason had not been taken on the trip.

At home again, the team turned its attention to the State Series, and atoned for the disastrous road trip by trouncing Bowdoin, 4-1. The superiority of the Garnet was much more evident than in the first encounter with the Polar Bear, the outcome never being in doubt after the first period. Captain Garcelon lead the scorers with two goals, while Swett and Lord accounted for a tally apiece.

By virtue of a surprising 4 to 3 victory over Colby at Waterville on the next Saturday the Bates pucksters stepped into the lead in the title race. The game was fast, replete with hard-checking, and characterized by a vastly improved passing game on the part of the Bobcats who took the lead in the first period. The Colby sextet forged ahead in the second, but could not hold their advantage. Lord's two counters in the final canto, on plays in which McCluskey and Kenison figured, won the game.

After the mid-year examination period the Bobcats virtually clinched their claim to the championship by snatching a hard-fought, 3-2 verdict from the Colby collegians. The acquisition of Toomey, clever Freshman wing, and the eligibilty of Ben White, outstanding defense man of the 1930 team, bolstered up the Garnet's attack. The former celebrated his initiation into a varsity game by scoring the winning goal in the last period after McCluskey had dented the net twice in each of the first two.

The strongest team the Bates sextet conquered during the season was Northeastern, which dropped a 4-3 decision at the Arena, February 9, after an overtime period. Big Ben White scored twice from mid-ice in the first few minutes, Toomey poked one into the cage from scrimmage in the second period, and Garcelon's counter in the overtime decided the issue.

Bowdoin definitely clinched the championship for Bates by defeating Colby, and as an aftermath of being awarded its third state championship of the year the Garnet dropped its next game to Ben Houser's crew, 3-2. The last series game with Colby was cancelled because of poor ice, and in the final encounter of the season Coach Gelly's men lost a 2-0 decision to New Hampshire, the best team Bates encountered all the year.

Soon after the close of the season it was announced that Ray McCluskey, in recognition of his meritorious work, had been elected captain of next winter's sextet. Bernard Grant will serve as Senior Manager, assisted by Vincent Belleau of the Junior Class.

Freshman Hockey

Three games won out of four, and a win over the brilliant Hebron team to wind up the season,—such is the record hung up by this year's Freshman hockey squad. No Freshman team in the present college generation has possessed such a wealth of first class material, or has shown more promise of making valuable contributions to the varsity sextets of the future.

The first hint of the power which the men of '34 possessed was given on January 17, when they took an easy 9 to 1 victory from Canton High School. Stiffer competition was met on January third, when they administered a 3 to 1 beating to Kents Hill Seminary in a game that ran into two overtime periods. The poke-checking of Rugg and Soba at defense was the outstanding feature of the game, while Hoar at center was easily the visitors' most prominent man. On February 6 the Bobkittens suffered their only setback of the season by dropping a 2 to 1 decision to a fast-working team from Bridgton Academy. Whalen and Toomey in the forward line were important features in the yearlings' attack. A fitting end to a successful season came on February 10, when the Frosh triumphed over the smooth-skating Hebron outfit, 3 to 2, in a furious, extra-period battle. The game was the fastest in which the Garnet yearlings engaged all season, and the Bates victory was due to the sensational work of Hickey, who made at least fifty stops at the goal.

With the close of the season the following men were awarded 1934 numerals: R. H. Burns, D. B. Hickey, P. Kendrick, B. M. Loomer, J. F. Moynihan, F. H. Roberts, J. C. Rugg, F. B. Soba, C. F. Toomey, W. M. Whalen.

Bates Athletic Achievements, 1930-1931

September 27 Football: Bates 26, Mass. Aggies 0.

October 11 Football: Bates 7, Norwich 0.

October 11 Cross Country: Bates 15, Northeastern 50.

October 24 Cross Country: Bates 19, Springfield 36.

October 25 Football: Bates 2, Maine 0.

October 31 Bates wins Maine Cross Country championship. Score: 24-32. Whitten leads.

November 1 Football: Bates 13, Bowdoin 0.

November 10 Bates wins New England Harrier title. Score: 32-49.

November 11 Football: Bates wins State Championship by defeating Colby 14-0.

December 6 "Red" Long awarded honorable mention on 1930 All-American.

January 12 Hockey: Bates 3, Bowdoin 2.

January 21 Hockey: Bates 4, Bowdoin 1.

January 24 Hockey: Bates 4, Colby 3.

January 31 R. H. Chapman, '31 wins the Bishop-Cheverus 1000-yard run at the Prout Memorial games.

February 7 Bates two-mile relay team defeats University of Pennsylvania at the Millrose games. Chapman defeats Seraphin Martin of France in International half-mile.

February 7 Hockey: Bates 3, Colby 2, deciding game in State Series.

February 9 Hockey: Bates 4, Northeastern 3.

February 14 Garnet two-mile relay team wins at the B.A.A. games.

February 16 Chapman wins Brefney half-mile at N.Y.A.C. games in near-record time.

February 25 Bates medley relay team forces Penn. to break world's record. Bates team also under former record.

March 7 Chapman fails to break world's record by one-tenth of a second at I.C.A.A.A.A. meet.

March 14 Bates barely nosed out by University of Maine in dual meet. Score 60-57.

April 20 Norman Whitten, '32, wins Portland Boys' Club Modified Marathon for second consecutive year. Russell Jellison, '33, first in five-mile race.

May 4 Baseball: Garnet war clubs pound out eleven runs to beat Bowdoin in Series game.

May 9 Track: Bates 68, Northeastern 67. Adams wins the 440 in 48 3/5 seconds.

After dominating the other Maine colleges for eight consecutive years, Bates lost its Winter Sports Championship this winter for the first time since the sport was inaugurated in the state. A well-balanced squad of sixteen men from the University of Maine demonstrated their complete superiority over a mere half-dozen Garnet snowbirds, defeating them by a score of 49 to 18. Whitten, former Intercollegiate Two-Mile Snowshoe Champion, won his pet event for the Bobcat's only first place. Carpenter and Burati took second and third respectively in the seven-mile ski race, and Captain Chick tied for second in the slalome on the slope of Mt. David. Maine cleaned up all the points in the snowshoe dash and ski jump, Simpson featuring the last event with a leap of 63 feet from a poor take-off.

Adverse weather conditions necessitated the cancellation of an informal meet scheduled to be held at the State University on February 14. The usual trip to Lake Placid was abandoned since Chick and Whitten, the outstanding performers, were out of condition due to illness.

In the annual winter carnival held at Auburn, Paul Carpenter romped home a winner in the cross country ski race, defeating a large field. He was the only Bobcat to place in any meet other than the State Meet this season.

Radical changes are being planned for next year in order to stimulate interest in the sport, and to gain back lost prestige. At present it is planned to have Co-Captains, one for the ski events and one for the snowshoers. Each Captain will be responsible for recruiting men and getting them in condition before the season arrives. The outstanding needs at present are more competition, and more equipment from the Outing Club and the Athletic Association, and it is hoped that these needs will be taken care of before the snow season comes again.

Chapman, running strong and far ahead, breaks the tape in the 880 at I. C. A. A. A. A. meet, Harvard stadium, 1930. Time: 1.52 4-10.

A great finish! Seven Garnet cross country men romp to perfect score over Northeastern.

R. H. Chapman's assault upon the half-mile record at New York, March 7, brought to a close the most successful indoor season a Garnet track team has ever known—a season of relay victories of national importance, and outstanding individual performances that put the name of Bates in the newspaper headlines of two continents. The two-mile quartet composed of Chapman, Viles, Adams, and Cole won easy victories over classy fields at the B.A.A. and Millrose games; a medley team of Knox, Adams, Chapman, and Viles went down to defeat only after shattering a world's record by several seconds; while Chapman established himself as a half-miler without peer by defeating a galaxy of foreign and national stars in a series of races that were all won in close to record time.

These performances were only a natural sequence of those of last year, when the Garnet relay team also went through an undefeated season to win both the indoor and outdoor national titles. Russell Chapman swept to victory in the I.C.A.A.A.A. half-mile only two-fifths of a second short of the intercollegiate record, while Viles, fifth ranking miler in 1929, moved up to fourth position.

The squad as a whole likewise performed remarkably well last season, losing to Maine in a dual meet by but one point, and finishing as runner-up to the Pale Blue outfit in the annual state meet. A team from the Brooklyn "Y", headed by Max Wakely, was swamped, thirteen first places to two; but New Hampshire defeated the Garnet by a comfortable margin. In the New Englands Bates finished fourth. Chapman set a new record in the half-mile and Viles coasted through to an easy victory in the mile. This year history repeated itself in the only indoor dual meet, when Coach Jenkin's Orono squad eked out a win by the narrowest of margins.

Although the *Mirror* goes to press before the outdoor season gets underway it seems safe to predict that Coach Thompson will be able to lead his men to more than one victory before the I.C.A.A.A.A. games close the activities for the year. Hampered by a paucity of field men, the Bobcats do not look forward to taking the State Meet, but do hope to retain their position as runners-up. Ineligibility has already somewhat weakened the squad, but if Chapman, Viles, Adams, Whitten, Knox, Cole, Dill, Meagher, and Lary perform with their usual brilliance they should take enough first places to keep their team in the running. In the New Englands Chapman will attempt to considerably lower his present record, while any of the above named are capable of breaking through for wins.

It is not yet known whether any men will be entered in the nationals, but it does seem probable that Osie Chapman will run a special 880 in another effort to lower the world's record.

The K. of C.'s William C. Prout Memorial Meet

Boston, January 31. Outdistancing a field of nine which included Phil Edwards and George Bullwinkle, Osie Chapman duplicated his feat of last year, winning the Bishop Cheverus 1000 in 2 minutes, 14 4/5 seconds. The time was the fastest ever recorded for the distance in Boston. The Garnet champion drew ninth position at the start, and was obliged to yield 25 yards to Edwards before he could shake himself clear of the pack. His winning margin, however, was easily 10 yards. Wallace Viles made a gallant bid for honors and coasted home in fourth place.

In the 440, Arnold Adams came to grief on the first corner, but after being crowded back to last place succeeded in passing Bernie McCafferty, last year's winner, to take fourth. Russell Jellison likewise finished fourth in the two miles, which was won by Moore of Brooklyn in the fast time of 9 minutes, 23 seconds.

Freshman Track

The Freshman track team opened its season on January 10 by administering an overwhelming defeat upon South Portland High School. The Garnet youngsters won first places in every event except the 1000-yard run which was taken by Coombs of the Capers. A week later the Bobkittens duplicated their feat, this time against Bridgton Academy. Every first place again went to them except the one that Smith of the visitors took in the 1000. Gardiner took both the 40-yard and 300-yard dashes, turning in the most spectacular performance of the day in the latter event when he passed both his teammate, Carter, and Borden of the visitors in a fast finishing sprint. Other first-place freshmen were Semetauskis, Purinton, Eaton, Meagher, and Cooper. The final score was 69 to 13. The final meet, which was with Hebron, went to the Frosh only after a hard fight, the result being 54 to 45 in their favor. As a climax to an undefeated season Meagher set a new record for the indoor gym in the pole vault, soaring to a height of 11 feet, 9½ inches. The Garnet youngsters won firsts in seven events. After midyears the Frosh automatically became eligible for the varsity, due to a change in the one-year policy effective in 1930.

The Millrose Games

New York City, February 7. The Garnet two-mile relay team that has been leading the country for the past four years opened its indoor season with a flying victory over the crack University of Pennsylvania quartet in the fastest relay of the evening. The first three runners, Norman Cole, Arnold Adams, and Wallace Viles, matched with nationally known trackmen, performed remarkably well to give Chapman, the anchor man, a slight lead. With this advantage the peerless Bates' half-miler coasted through to an easy win, the total elapsed time being 7 minutes and 56 seconds.

CHAPMAN WINS INTERNATIONAL HALF-MILE

After trailing for three laps, "Osie" Chapman stretched out and jumped past Seraphin Martin of France, world's titleholder for the 800 metres, to run unheeded to a victory in the fast time of 1 minute, 53 4/5 seconds, a new record for the

UNDEFEATED TWO-MILE QUARTET

N.Y.A.C. track. The Bates co-captain finished easily, 25 yards ahead of the field which included, among others, Fred Veitt of the N.Y.A.C. and Dave Letts of Chicago. His victory was all the more remarkable coming as it did only a few minutes after his exertions as anchor man on the relay team.

The B. A. A. Games

Boston, February 14. Finishing with a lead of 60 yards over a field that included Boston College, Dartmouth, Holy Cross, Harvard, Northeastern, and New Hampshire, the Garnet fliers ran through one of the fastest two-mile relays of the indoor season, covering the distance in 7 minutes, 55 1/5 seconds. Cole, the Bates lead-off man, ran a cool and heady race to finish a close third in 2.03. Arnold Adams, Sophomore quarter-mile ace, opened a tremendous spurt near the end of the race that enabled him to give Wally Viles a three-yard advantage. Viles, running third, steadily increased this lead to seven yards, and passed the baton to Chapman who merely coasted through to the finish without ever being pushed.

Jack Lary, running the 1000, showed promise of becoming a star performer in the future. The lengthy Sophomore drew a starting position in the sixth and last row, yet succeeded in fighting his way through the thirty-three more fortunate entries to finally bring up in seventh place.

Chapman Again Defeats Martin

New York City, February 16. Facing a much improved Seraphin Martin and the consistently good Phil Edwards, Osie Chapman unleashed one of his typical finishing sprints in the fourth lap, to win the Brefney half-mile at the N.Y.A.C. games in the amazing time of 1 minute 52 4/5 seconds, slightly more than a second slower than world's record time.

Edwards led the field for more than half of the distance, with Martin second and Chapman third. With two laps to go Osie made a terrific dash into the lead and opened up a ten-yard margin before the others could challenge his bid. Martin made a valiant attempt to overtake the Bates man in the final lap, but Chapman, still setting a mad pace, sprinted over the finish line with a commanding lead.

Medley Team Forces Penn to Record

New York City, February 25. The Bates medley relay team composed of Arnold Adams, Billy Knox, Russell Chapman, and Wallace Viles forced a great quartet from the University of Pennsylvania to break the world's record of 7 minutes, 35 2/5 seconds by exactly five seconds. Adams, leading off for Bates, ran a fast quarter to finish fourth. Knox passed one man in his leg of 220 yards, handing the baton to Chapman in third place. Osie, after a 1.55 half, sent Viles away on the final mile with a lead of 25 yards, but the Bates co-captain, although running a wonderful race, was no match for Coan, the conquerer of Conger, and finished 11 yards behind the Penn man. The Garnet quartet covered the distance in 7 minutes, 33 seconds, 2 2/5 seconds under the former world's record.

Chapman Within 1/10 Second of Indoor Record

New York City, March 7. Running easily, and uncorking a tremendous burst of speed that carried him through the second quarter in 56 seconds, Osie Chapman led Phil Edwards to the tape by twenty-five yards, failing by just 1/10 of a second to equal Lloyd Hahn's indoor half-mile record in a special race run at the annual indoor I.C.A.A.A.A. games. The first 220 yards went as planned in the time of 27 seconds but Edwards, the leader, slowed on the next lap to finish the quarter in 55 3/5 seconds. The time lost on this second lap cost Chapman a new world's record for as soon as he realized that the pace was too slow he stretched out and took the lead. The last lap was a typical Chapman finish, a mad 220-yard drive that left his field far behind and swept him over the finish line but a half-stride slower than any human has ever negotiated the distance. The race, although a failure in one respect, established Chapman as one of the greatest half-milers ever to don a spiked shoe.

The Bates-Maine Dual Meet

Orono, March 14—For the second consecutive year the annual indoor meet with the University of Maine was decided by the final event on the program, for it was not until Webb of Maine had cleared the bar in the pole vault at 12 feet, 2 inches, to nose out Meagher of Bates, and Havey of Maine had bested Dill for third place, that the meet was finally settled. The Bates tracksters were strong in all of the running events, but the superior field strength of the Pale Blue enabled it to squeeze out a 60 to 57 victory.

Three new records for the Maine indoor field were set. "Osie" Chapman clipped 2/5 of a second off the best previous time for the thousand to win the event in 2:18 3/5. Billy Knox broke the broad jump record with a leap of 22 feet, 4 inches, and White of Maine lowered the 40-yard dash mark to 4 3/5 seconds. Chapman, by also taking the 600, was the only dual winner of the day.

Adams victory in the 300, when he came from behind in the last 20 yards, Lary's race for second in the 600, and the upset of the dope when Booth of Maine took second in the mile were the features of the encounter. Purinton in the hurdles, Viles in the mile, and Whitten in the two-mile were the other Bates runners who took first places for the Garnet.

Summary

40-yard dash. Won by White (M); second, Means (M); third, Knox (B). Time, 4 3/5 seconds. (New record).

300-yard dash. Won by Adams (B); second, Knox (B); third, Chase (M). Time, 33 2/5 seconds.

600-yard run. Won by Chapman (B); second, Lary (B); third, Adams (B). Time, 1:14 2/5.

1000-yard run. Won by Chapman (B); second, Cole (B); third, Mank (M). Time, 2:18 3/5. (New record).

1-mile run. Won by Viles (B); second, Booth (M); third, Hayes (B). Time, 4:27.

2-mile run. Won by Whitten (B); second, Gunning (M); third, Furtwengler (B). Time 9.57.

45-yard high hurdles. Won by Purinton (B); second, Eaton (M); third, Stiles (M). Time, 6 2/5 seconds.

Pole vault. Won by Webb (M); second, Meagher (B); third, Havey (M). Height, 12 feet 2 inches.

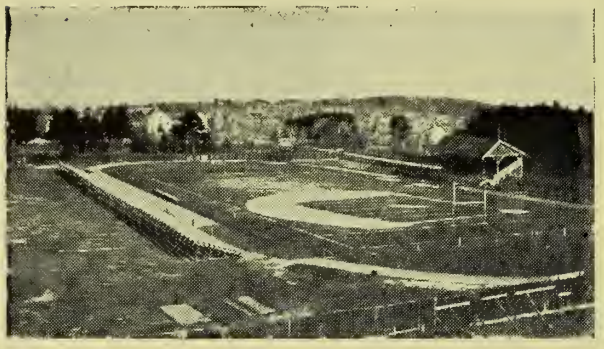
Broad jump. Won by Knox (B); second, Chase (M); third, Sampson (B). Distance, 22 feet, 4 inches. (New record).

High jump. Triple tie for first among Chase, Duplissea, and Webb, all of Maine. Height, 5 feet, 5½ inches.

16-pound shot put. Won by Alley (M); second, Webber (M); third, Fogleman (B). Distance, 41 feet, 7½ inches.

Discus throw. Won by Curtis (M); second, Webber (M); third, Sweetser (M). Distance, 131 feet.

35-pound weight. Won by Webber (M); second, Gonzales (M); third, Douglas (B). Distance, 41 feet, 7 inches.



Garcelon Field, scene of the New Englands

Arnold Adams, '33
Bates quarter-mile ace

New England Intercollegiates

A determined drive, begun by the Athletic Council early in the year, eventually succeeded in securing the New England Track and Field Meet for Bates College this spring. Friday and Saturday, May 22 and 23, will be gala days for Lewiston, when over 300 athletes representing various colleges will disport their skill and prowess on Garcelon Field. This is only the second time the Meet has been given to a Maine institution, Bowdoin having been accorded a similar distinction in 1927.

The award came to the Garnet as a singular tribute to the consistent high-class performances of its runners. Though always forced to compete against schools vastly superior in number—the Meet being opened to all New England colleges except Harvard, Yale, and Dartmouth—Bates has rarely failed to finish within the first four, and usually can be depended upon to press the champions to the limit.

Coach Thompson's men picked up twenty points last spring, to finish fourth in a terrific battle that finally was won by the University of Maine with twenty-six and one-half points. Osie Chapman broke G. J. Leness's 880 record, lowering it to 154 2/5, while Wally Viles romped in the mile. Both men will be defending their title again, and the former will be expected to put the half-mile mark still nearer the 1.50 goal. A title formerly held by a Bates man was erased last year when Forsberg of Northeastern threw the javelin over 188 feet, eclipsing by three feet the best efforts of Arthur Sager in 1926.

Besides Chapman and Viles, Coach Thompson is counting heavily on Arnold Adams and Billy Knox to pick up points for Bates, though the former will be pitted against McCafferty of Holy Cross in the quarter, and the latter will find the going tough in the dashes and broad jump. Norman Whitten will be the outstanding favorite in the two-mile event.

H. C. Greenleaf, '32
R. L. Carter, '32
M. U. L. Lightman, '32
B. Antine, '33

Schedule for 1931

May 6 Boston University at Lewiston.
May 9 Colby at Waterville.
May 12 Bowdoin at Lewiston.
May 15 Harvard at Cambridge.
May 18, 19, 20 New England Lawn Tennis Association Matches at the Longwood Courts in Boston.
May 22 Tufts at Lewiston.
May 26, 27, 28 Maine Lawn Tennis Association Matches at Brunswick.

Unusual interest has been manifested in tennis this spring, with the addition of more courts and equipment.

By a new ruling that goes into effect this spring it is now possible for players to earn a letter by winning any two matches, whereas before it has been necessary to advance to the finals in the State Meet.

The baseball season of 1930 was the most disastrous that a Bates team has passed through in several years. The end of the season found the Garnet club lodged at the bottom of the list in the State Series rating, but before the final game the Bobcats had demonstrated that they were not beyond hope by soundly trouncing Bowdoin and Maine, and taking the strong Connecticut Aggies into camp.

The Garnet was hampered at the start of the season by the loss, due to illness, of Coach Morey, and before Assistant Coach Jimmy Cole could whip the squad into the semblance of a ball club it had lost twelve straight games. However, near the end of May the whole team suddenly came to life. The inexperienced infield suddenly became steady, the pitchers, ineffectual at first, began to bear down, and the batters proceeded to pound the ball to all corners of the lot.

The Polar Bears were the first to feel the effects of the Bobcats' rejuvenation. Donham, star freshman twirler, kept the Brunswick sluggers in check while his mates slammed the offerings of several opposing pitchers for a total of 15 runs.

Two days later the Connecticut Aggies, flushed by a triumphant tour that included victories over Maine and Colby, hit an unexpected snag on Garcelon Field. Marston and Phillips held the opposition down to four runs, while the entire Bates team hit hard to gather in nine.

Bates wound up the season with another victory over Bowdoin, and a one-sided win over Maine, the champions. Although both of these came too late to dislodge the Garnet from the cellar, they did wipe out the bitterness of the early spring defeats, and indicated that the club had a great deal of potential power that it might unleash the next year.

As the *Mirror* goes to press, however, the outlook for 1931 is far from promising. Coach Morey's health again does not permit him to spend much time with his men, three inexperienced fielders are cavorting in the outer pasture, and the infield, though strengthened by the acquisition of Toomey, is not yet playing consistent ball.

The season opened with a 7-1 defeat at the hands of Bowdoin, April 20. Millett, a Freshman, toed the rubber for Bates and performed creditably, but some erratic fielding kept him continually in the hole. Five infield errors and ten hits, one a double by McKown, gave the Polar Bears their runs. None of the Garnet stickers could find Shute consistently, and he was nicked for only six hits, three of which were accumulated by Kenison.

The Garnet suffered disaster on its road trip, dropping games to Brown, Boston University and Tufts. The Harvard encounter was rained out. However, the club played good ball at times, hitting often if not timely, but showing a tendency to blow up at crucial moments.

Ben Chick, veteran of four years, pitched a masterly game against Brown until the seventh inning, and might even have coasted through to a win but for costly fumbles. Millett, with a single and a double, led the Bates stickers, but also attributed to the defeat when he dropped an outfield fly to start off the fireworks in the seventh.

Boston University, after having been the goat of several Massachusetts' teams in early season games, suddenly decided to take its spite out on the Garnet, and fell upon the best offerings of Marston and Phillips for 22 hits for a total of 31 bases. The Bobcats were also in a hitting mood, Brown and McCluskey helping themselves to three bingles apiece while Flynn gathered in a single and a double, but succeeded in scoring but eight runs while B. U. was rolling up a grand total of 17.

In the final game with Tufts the Bobcats outhit their opponents seven to five, but, failing to bunch their hits, lost 5 to 1. Tufts' big inning was the sixth when Millett weakened long enough to issue two walks and allow two of the five singles he granted for the afternoon. His teammates performed much more steadily than in any game to date, and gave indications of latent power.

Under the direction of "Hank" Potter, who took over the reins after it was definitely assured that Morey's health would not permit him to do any more coaching this spring, the team celebrated its return home by walloping two Bowdoin pitchers for an 11 to 8 victory. The next game, the best to date, went to Colby, 1 to 0, even though Millett held the opposition to four hits. On May 9 Maine fell on Marston in the ninth to win 6 to 2, in a fast encounter.

Not even the most optimistic on campus are predicting a State championship, but with the team gathering confidence and experience every day it seems fairly safe to predict that it will be a potent factor in deciding just who will capture the season's bunting.

W. A. A.

On the first page of the W. A. A. handbook is that fine expressive quotation by Jessie Robertson, president of the W. A. A. in 1927:

"Not merely to win but to play;
Not to destroy but to build;
Not smugness, but beauty in growth;
These are our aims—the A. A."

The other side of the page is dedicated to Sportsmanship, and there we find the "code" of the Sportsmanship Brotherhood. The ideals and aims of the W. A. A. can be expressed in no better way than they are on that first leaf.

The co-operation of the Physical Education Department and the enthusiastic support of the women student body has made it possible for the W. A. A. board to carry through a number of activities outside the regular schedule. The first Play Day for high school students was held November 8, largely attended by pupils from near-by schools, and two weeks later six members of the Board and Miss Sanders were guests at a Play Day given by the University of Maine. There was no doubt about it, the day was certainly a day of play. Other innovations during the year included cabin parties at Thorncrag which provided a bit of change and recreation from mid-years. The usual banquet for basketball girls only was abolished, and in its stead there was an A. A. banquet—for everyone. The last and biggest event before the old board went out of office was the observance of a Health Week, during which every day was devoted to some particular phase of good health.

Every year, if it seems advisable, the W. A. A. institutes changes and sets up new ideals in sport. A new development in women's athletics is the growing tendency to count as much on endeavor and interest in sport as on skill, in order that the girl who enjoys athletics but has limited ability may gain recognition. Our W. A. A. is much interested in the new system used in in a few other colleges that no longer allows points, given for athletic skill alone, to be a sole basis for awards, but makes interest, effort, and sportsmanship of much more importance. However, athletic ability is still the criterion by which members are selected for a team, and because of this the "sporting game" should become fairer, more inviting, and broader in its scope. Is it too much to expect that there be a "sport for everyone and everyone for a sport?" We think not.

It has been a pleasure and a privilege to work with the members of the board. Their cooperation and endeavor have made possible all that the A. A. has accomplished this year. Good luck to the new board, and may it continue to strive for the ideal in Women's Athletics.

Our Coaches

Professor Walmsley

Professor Walmsley has looked upon the weaknesses and follies of '31 with a great deal of tolerance. Perhaps that is because she came here four years ago—a freshman along with the rest of us. She is always ready to laugh with us (sometimes at us), yet is on hand to give her aid and sympathy when needed. However, we Seniors can not consider ourselves her favorite class for she has no favorites. If she does show partiality, it's for the Freshmen. They, in her mind, need a champion, for they are apt to be downtrodden by the classes above them. She has a great store of sympathy and deals fairly and squarely all around.

Miss Sanders is new to us this year. She seemed a bit quiet and shy at first but the bright twinkle in her eyes betrayed her. We know her now for a most fun-loving person, ready to try anything at any time. She, with six members of the W. A. A. Board, attended the play day at the University of Maine. There was no doubt that she could play as well as anyone, and when it came to archery and hockey—even the Maine girls wanted instruction from her. She has little to say during the W. A. A. meetings, but whenever any activities are being planned Miss Sanders is within call. She has an unlimited supply of ideas along with a constant readiness to help.

Margaret Renwick, '32	Rosemary Lambertson, '32

This is the first year that students have been coaches at Bates and the plan has worked admirably. W. A. A. has appreciated the willingness of the girls to give their time in coaching the W. A. A. practices. When the Physical Education Training School, which had, heretofore, been sending assistants, gave up that plan, W. A. A. had to look for a new means of giving instruction. The girls were eager to try the student coaching plan which has since proved to be successful. Without it there could not have been as complete a program in sports as was offered.

M. Tower, '31

The Sophomores walked off with the laurels this year, winning the championship by means of fine teamwork and good individual playing.

Since the Freshmen and Sophomores were under the disadvantage of having less experience than the two upper classes, handicaps were given by the Seniors, two to the Frosh, and one to the Sophomores; while the Juniors gave one to the Frosh. This made the competition more equal.

The Garnet and Black teams were picked after much discussion, since there was a wealth of good material from which to choose. The Varsity also furnished a hard problem, but was finally solved in a manner satisfactory to all.

One dozen new hockey sticks were added to the equipment, and the first girls there got the breaks.

The scores of the games were as follows:

Seniors 3 Sophomores 6
Juniors 2 Freshmen 1
Seniors 5 Freshmen 2
Juniors 1 Sophomores 3
Seniors 6 Juniors 2
Sophomores 5 Freshmen 0

Hiking

Manager
Marion Irish, '31

Rain or shine, they don their wraps and fall in line. Who? The hikers, of course. But where do they go? Over the hills and far away—to return at close of day. In the fall hiking is very popular as a minor activity in combination with another sport. This year three girls completed hiking for seven credit points. Here's the list of requirements: thirteen fifty-minute hikes, and in addition, a six, a nine, and a twelve-mile hike! It's rather hard on the soles but experiences "en route" are varied and interesting. We might add that, although hiking has a strong appeal for the co-eds, the eds seem to have lost interest!

Archery

Archery was especially popular this fall; in fact, so many girls signed up for the activity that W. A. A. found it necessary to invest in a new target to accommodate all those who aspired to emulate Robin Hood.

There was no tournament this fall, as the annual tournament is always scheduled in the spring, but records were kept and there were several very good scores passed in by those trying for W. A. A. points.

Archery is yearly becoming a more popular sport here at Bates as well as in other Eastern colleges, and we hope within the next few years to be able to hold telegraphic meets with some of these institutions. We have some fine archers and there is no reason why they should not make a good showing in an intercollegiate tournament.

Helen Ashe	Pearl Littlefield	Bertha Cox

Want to develop a strong right arm? Then indulge in volleyball. During November and December the squads practiced faithfully under the tutelage of Miss Sanders. The game proved to be a lot of fun for the girls who were unable to fit baseball into their schedules, and developed many true enthusiasts. In the afternoons the noise of the bouncing ball re-echoed through the Locker Building,—and one, in its "Lindy-like" flight, collided with a distant light.

The season culminated in the interclass games. The Sophomores emerged from the fray as champions, repeating their victory of last year.

The schedule and scores of the games:

Juniors vs Sophomores, 25-43
Juniors vs Freshmen, 28-28
Sophomores vs Freshmen, 41-19

Baseball

M. Reid, '34

Our desires to imitate "Babe" Ruth were realized a little earlier than usual due to a change in the schedule of sports. Baseball is now considered a late fall or early winter sport.

The Juniors leaped from their position in the triple tie of last year to first place, while the Freshmen nosed out the Seniors for third place by one run. This margin gave the Freshmen a little boost for next year, and we haven't a doubt but that they will use it well. The Sophomores reached the position next to the Juniors in hard-fought games, the one with the Frosh being especially keen and close.

Winning Freshman Team

Captain, Ruth Bowman

Marjorie Reed	Barbara Lord	Eileen Soper
Verna Brackett	Doris Neilsen	Ruth Carter
Ruth Johnson	Virginia Longfellow	Arlene Skillings

Mount David was a busy place this year. Snow galore and perfect weather—what more could a Bates girl ask? Outing Club was especially good to us in the way of skiis and snowshoes, and ski-poles, too. Some adventurous co-eds discovered the breath-taking fun of the toboggan chute. Others were satisfied with trotting up around the chute by way of an obstacle race. The ski-slide and jump added to the fun and there was always "dashing" to do. The girls received individual points through proficiency in four of these events.

The Winter Sports Meet was a colorful affair. Gay costumes here and there lent a Lake Placid touch, while the girls demonstrated their skill in the ski events, and in the dashes,—with a good-natured tumble now and then. St. Dom's Rink gave the ice-minded girls their opportunity.

All in all it was a dandy season. We wish best success to next year's "Winter" girls.

R. Melcher, '33	P. Lambertson, '32	C. Woodman, '32
C. Zahn, '34	G. Goddard, '32	E. Finn, '32

Whose ball is it? The whistle blows and the game is on. If you like clean, fast basketball and did not visit Rand gym during the time of the games, you missed something. A well-known authority declared the Frosh-Junior game the fastest she had ever seen played on Rand surface. Good enough!

The new system of awarding the ball alternately to the centers seemed to work well.

Class rivalry ran high as usual. The Senior team is to be commended for its good play and fine sportsmanship. The Frosh certainly did themselves "proud". Juniors, you are champs in spite of the opposition of the plucky Sophs.

The interdorm banner was won by Rand, which outplayed its opponents by decisive scores. Say "goodbye", Cheney. Better luck next year.

Results of the class games:

	Won	Lost
Seniors	0	3
Juniors	3	0
Sophs	2	1
Frosh	1	2

Tennis

Manager
Lucile Adams, '31

The tennis season begins soon after college opens in the fall. Regular classes are held with instruction, and tennis is counted as a major sport. There are two tournaments, one for beginning and one for intermediate players. The champions of these two divisions hold the four highest places on the ladders. Even though the cold weather does not always permit these tournaments to be completed outside, the indoor paddle-tennis courts make an excellent substitution.

In the spring when the courts are dry, tennis is again a popular sport. This season, tennis may be taken only as a minor, and ladder tournaments are held in each class. As a windup of the A. A. activities, class teams are chosen by the W. A. A. Board to play singles and doubles for the interclass tournament.

Track

For those who aspire to some distant goal (75 yards away), or some high ideal (high jump), there is track. Each spring there is a group of girls who take heartily to track, and they can be seen running off the yards,—around and across the soccer field. Still others, imbued with the spirit of spring, are training to be masters of the javelin and discus. All join in the broad jump and high jump. Some succeed in clearing the bar with a foot to spare, while others take bar and all along into the sawdust pit.

This last year there were try-outs for individual points a week before the meet. Memorial Day was chosen for Field Day, and in the morning track events for class points were run off. The Sophomores ('32) won high score, carrying off first place in all events except the high jump, which was won by the Frosh.

Manager
Audrey Waterman, '31

Soccer

Manager, HARRIET MANSER, '31

To the casual onlooker unacquainted with the game, girls playing soccer may appear like lambs gamboling on the green, and with no more purpose or aim. If the simile has any significance, however, it is probable that last spring the class of '31 felt like lambs led to slaughter. Philosophically, it may be remarked that defeats are a part of the discipline of life and thus consonant with education.

The training, the exercise, the zest of competition again demonstrated that chasing a good, substantial bouncing ball is more beneficial than "blowing bubbles in the air".

The class of '30 won the soccer championship last year.

Women's Physical Education Demonstration

The annual meet between the Garnets and the Blacks was held on March 19. The participants entered into the affair with a zest which was equalled only by their skill. Every event was a success, from the graceful dancing to the hilarious games, and the program was the livliest of its kind yet witnessed. May the gym meets continue to be, not necessarily "bigger and better", but certainly "snappier and better."

The Garnets were victorious for the first time since this system of division was inaugurated, although they tied the Blacks last year. Congratulations, Garnets!

HUMOR

Editor's Forewords

The pages of this section, which have been filled in some inexplicable manner, are humbly dedicated to Charlie Darwin, a most misunderstood man. Narrow-minded and misinformed men have often bitterly exclaimed, "He's trying to make monkeys of us all!"

Uncle Fox Paw's Corner

Listen little ones, how would you like to hear of the thrilling account of the Rand Hall and West Parker football scrimmage? Yes, of course you would; so sit still my dears, and Uncle Fox Paw will rave on by quarters.

FIRST QUARTER

Rand chose to receive and seemed to have the best of the going at first. Her line appeared quite a bit better than W. P.'s—lighter and faster—and he fumbled at crucial moments. Rand's interference was working to perfection, but suddenly W. P. made several beautiful passes, which resulted in a considerable gain for him. But here he became careless and was penalized for holding. He also lost some ground by being offside.

SECOND QUARTER

W. P. used the right tackle to good effect but Rand's back was not reached. Both sides went into a huddle of considerable duration. After this W. P. seemed to be resorting to unnecessary roughness and Rand kicked. W. P. tried another pass which was unsuccessful. Time out to give both sides a breathing spell.

THIRD QUARTER

Rand was looking badly mussed up, but she gained a momentary advantage with one of her pet plays. Here, however, W. P.'s somewhat heavy line appeared to good advantage and he held. A play around Rand's end met with disaster, and with the goal almost in reach, W. P. went out of bounds.

FOURTH QUARTER

Both sides were obviously affected by the heat and went into another huddle. W. P. tried another pass which was blocked. Rand's guard, however, was weakening and W. P. made several good gains.

He seemed to be picking up more speed all the time and Rand's kicking game collapsed. From that point on both defenses were completely ineffective and the scoring was heavy.

* * *

Good night, pleasant dreams little ones. Uncle Fox Paw must get into his big red airship and hum over to New York and see a real burlesque show. Maybe some day I'll tell you all about it.

Farewell to Arms

And decades ago, Charlie Darwin, happily married to a robust lady who had worn out three previous husbands, contentedly remarked, "they shall survive, who are the fittest!"

Little did he realize how that chance truism of his was to influence my social life here at Bates, for when the co-ed's digs began to fester my hide, I resolved to venture down to one of those weekly classics commonly known as Chase Hall dances.

Chase Hall! It couldn't be better named! From 8:00 to 11:00 I chased after the few women I knew—all in vain. Survival of the fittest! Ye Gods! and how you have to fit to get a dance. The music stops. A hundred stags mill around seventy-five females forming an impregnable wall to the luckless one who waits without the pale.

If you have that social urge, that *vitale èlan*, you will screw your courage to the sticking point and charge in after one of Mr. Bates' dancing daughters. If you're lucky enough you'll break through—disheveled, disgruntled,—and disheartened, for you'll look around in vain for an interested glance. Cold disfavor rewards your superhuman effort.

"With head bloody but unbowed" you sue the most popular co-ed in the class for the next one. "Sorry", she sprightly replies, "I have the next THREE." If you've a long amount of that intestinal substance that helped Chic Sales to fame in his "Master Builder", you'll shake off that cold splash of water and charm her with witty sallies, but if you're just a common guy like me you'll ask her what she's getting in Government! Before she can ask you what the next assignment is, Gil taps his music rack. Quick as a flash the men spring to arms and jockey off for an advantageous position.

Dazed by the suddenness of it all, you stand on the floor a minute, then walk slowly back to the bachelor's retreat—a tragic figure. Perhaps you may have enough of a superiority complex left to ask the best looking wall flower—what an anachronism!—for a dance. But I tried that once and six women leaped to their feet before I had taken two steps in their direction. What did I do? Oh, I fooled 'em. I went out and got a drink. In fact, that's all I did all evening was drink—just to retain my composure—and when I retired that night I perspired so freely that when my roommates and I woke up in the morning all three beds were floating around in a sea of sweat. The only way we could prevail upon the waters to subside was to pour in a bottle of NONSPI.

But to finish my complaint, what we need at Bates is not an up-to-date "Cribbers Manual for Football Players", neither is it "younger marriages and birth control à la Sherwood Eddy", nor is it more candlepower about the women's domiciles. What we need is dancing legislation at Chase Hall. My idea of a Saturday nite Utopia would be to pay the dean thirty-five cents and get a program all filled out—three belles for fifty cents, "Eight Belles" and the Garnet Revellers thrown in for seventy-five. Then, in order for one to find his dancing mate, all the boys and girls should be required to sit down after each dance—the women should have named placards over their chairs—or stalls—to avoid all confusion. Finally, if one tips the dean a quarter he should be allowed to keep a "dancing daughter" out till twelve, for who can get romantic at ten o'clock in the evening?

Until this revision is accepted by our college fathers and mothers (the dean et cetera) *Farewell to arms!* I shall traffic in them no longer at Chase!

Don Juan

Rotlidge the Great

Grim plain-clothes men, slouch hats pulled down over their brows, hands thrust deep into their overcoat pockets, barred my way. The horrible reality of the situation thrilled me, but my spirits sank at the thought of losing my greatest opportunity.

"I must go in", I insisted, "I must go in!"

"Scram!" was the brusque reply, "The champ is tapering off training today and ain't to be disturbed."

"I must get in," I lied swiftly and desperately, for desperate deeds were required, "I'm from the 'Qual'. I have the sandwiches for his workout." I raised my voice. "The ham sandwiches—with the thick slices of Southern ham, spiced and savory—with onions—ONIONS!"

"Officer!" that well-known voice boomed from within the locked doors, and the little newsboys ran screaming in terror from the room, "Send him in with those sandwiches."

The lock clicked. The huge door swung open. I was thrust in front of the champion. Rotlidge lay sprawled gracefully on the table (how soon would he be under it?) sipping leisurely at milk through several straws, while handlers massaged his abdominal muscles.

Flesh rippled in great graceful folds as the champion sat upright and seized from my fear-paralyzed hands the sandwiches that had won me my interview. Thrusting them one after another between his smooth-working jaws, he stopped only at the seventh to growl, "Toasted! I didn't want them toasted!"

"Those are only the cellophane wrappers", I protested, "You should have taken them off."

The ice was broken and the Great Athlete, his heart nearly as great as his stomach, graciously overlooked my boldness and allowed me to sit beside his trough while he munched through his afternoon workout—the last workout before the big meat.

"In the first place, the first place the first place the first first place place"—

I leaped to my feet in terror, but it was only the tremendous echoes of the great champion's voice, echoing and reechoing through the room. Rotlidge, seeing my bewilderment, lowered his voice and the windows stopped rattling.

"In the first place, I want it stated that I am physiologically the same as ordinary men. There is no truth in the statement recently published that I have a bovine stomach—I do *not* chew a cud. Neither is the statement true that I swallowed a half dozen sets of false teeth when a child and they masticate my food. I am only an ordinary man—or at least, not much greater than the ordinary."

"Are you in condition for the big bout?" I inquired.

For answer, the big fellow gnashed his teeth in a powerful rhythym and made lightning like movements with both hands from an imaginary plate to mouth. "Never since I ate twenty pounds of raw venison—that's deer meat—in New Bedford have I attained such a degree of physical fitness. However, this little contest is on the basis of endurance and not of speed. Now that handicaps me in two ways. First, this contest is held on Saturday afternoon and if it lasts until Sunday A.M. I'll have to forfeit in order to go to church. Then, secondly, my opponent is not only a remarkable contestant, but I have very good evidence that he has at least several tape worms!"

"You are willing to give him such a great handicap?", I asked in surprise.

"For the glory of Bates", he replied, "No risk is too"—

A fit of coughing broke off his modest admission. Handlers rushed to and fro frantically. Tremendous coughs shook the room. An attendant hurried me out the door.

"It's only a little accident", he assured me, "The champ got a turkey drumstick lodged in his throat—a couple of loaves of bread and he will disgorge it. Don't print this little incident, will you?"

I promised, and when the doors swung closed behind me I wandered aimlessly down the street, still bewildered, dazed from the recent intimate contact with such a great man. I slipped into a restaurant, seated myself, and tried to assemble my scattered recollections.

"Just a glass of water and a cracker", I told the waiter, "I'm not very hungry to-night".

So Light Cometh

And in the beginning all was in darkness. Over all was spread the horrible cloak of night. Men and women treading the paths of life stumbled. Unguided steps were drawn to the mire. And in the lurking shadows evil stalked.

The all-seeking power that guideth our destinies in this, our little place of life, saw the need. And lights were made to glow, piercing the shades of night. The *mire remained,* but the radiance illuminated it.

Even to the man made hovels wherein we liveth, and they liveth, the hallo was extended—even unto tiny intervals of less light between great lights.

"Yea, verily the good dean hath said, "Let there be light!"—the penurious Norm sighing as he expended—and there were lights!

A Fish Tale

Bright and early one balmy morn in spring Doc Sawyer and Amos Hovey went angling out at Sabattus. For the whole day they pulled finny creatures aboard the skiff—in size and numbers that would scarcely stand mentioning. When they had caught enough fish for a faculty fish fry, they decided to point for home.

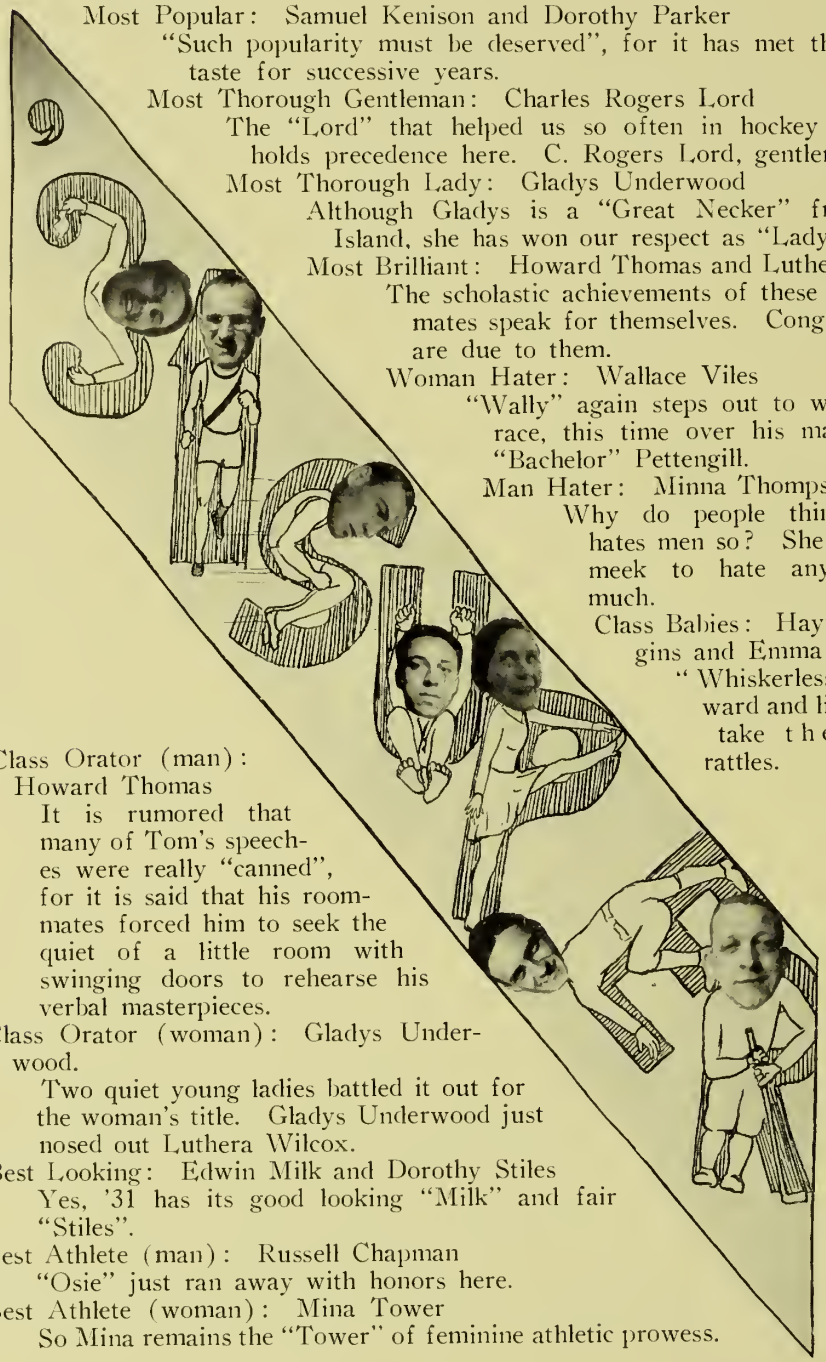
Amos, liking the place and wishing to have something by which to remember it, cried: "Hey, Doc, we better mark this place so that we can come up here next week-end."

They lifted anchor and rowed shoreward. As the boat ground against the shore, Amos asked: "You marked that spot when I told you, didn't you?"

"Sure", responded Doc, "I put a cross on the side of the boat."

"Hell!" snapped Amos, "How do you know we'll get the same boat next week?"

SUPERLATIVES



Most Popular: Samuel Kenison and Dorothy Parker
"Such popularity must be deserved", for it has met the popular taste for successive years.

Most Thorough Gentleman: Charles Rogers Lord
The "Lord" that helped us so often in hockey rightfully holds precedence here. C. Rogers Lord, gentleman.

Most Thorough Lady: Gladys Underwood
Although Gladys is a "Great Necker" from Long Island, she has won our respect as "Lady of '31".

Most Brilliant: Howard Thomas and Luthera Wilcox
The scholastic achievements of these two classmates speak for themselves. Congratulations are due to them.

Woman Hater: Wallace Viles
"Wally" again steps out to win a close race, this time over his manager, F. "Bachelor" Pettengill.

Man Hater: Minna Thompson
Why do people think Minna hates men so? She seems too meek to hate anyone very much.

Class Babies: Hayward Higgins and Emma Abbott
"Whiskerless" Heyward and little Emma take the celluloid rattles.

Class Orator (man): Howard Thomas
It is rumored that many of Tom's speeches were really "canned", for it is said that his roommates forced him to seek the quiet of a little room with swinging doors to rehearse his verbal masterpieces.

Class Orator (woman): Gladys Underwood.
Two quiet young ladies battled it out for the woman's title. Gladys Underwood just nosed out Luthera Wilcox.

Best Looking: Edwin Milk and Dorothy Stiles
Yes, '31 has its good looking "Milk" and fair "Stiles".

Best Athlete (man): Russell Chapman
"Osie" just ran away with honors here.

Best Athlete (woman): Mina Tower
So Mina remains the "Tower" of feminine athletic prowess.

SUPERLATIVES

The Most Oblivious to the World About Them:
A hushed hurrah for the late "Long-sleep" Jack Coulter, the most unawake of the unawakes.
Harriet Green was caught napping as the most sound asleep of the women.

Most Talented (men): Edwin Milk and Martin Sauer
It was "Sauer Milk" in this case.

Most Talented (woman): Louise Allman
Louise didn't pull strings to get this election, but she did use strings to their best advantage.

Biggest Drag with the Faculty: Frederick Hayes and Dorothy Stiles
"To them that hath", it is given. They didn't need it.

Needed It (drag) Most: Earl Garcelon and Florence White
It would seem that Gus and Flo could not stand alone.

Biggest Social Lights: Harry Green and Ruth Wilson
Ditto with approbation.

Think They are Biggest Social Lights: William Bowden and Mildred Healey
Well, perhaps there is something in thinking so.

Best Dressed Man: Harry Green
Harry is one of the few fellows who could go without a shirt and still be well-dressed.

Best Dressed Woman: Dorothy Morse
Rather unusual for these days, Dolly succeeded in being the best-dressed woman without being the least-dressed.

Talks Most and Says Least: Eliot Butterfield and Agnes Truell
Babbling "Butts" talked his way into this superlative. And what on earth did he say?
Aggie is the outstanding woman in the outstanding trait of her sex.

Class Grinds:
Every class has them. God, pity them. Julian just "Dodge'd" the rubber hammer but Brewster got it in the neck.
Flossie York ended up laps ahead in the gruelling grind for the woman's supremacy.

SUPERLATIVES

Wittiest Man: Frederick Hayes
It is suspected that the "Deacon" sharpens his wit on a "Stone". A most unusual man is Fred, he's even willing to cut himself with his keen wit.

Wittiest Woman:
Kay's sparkling Irish wit backed by twinkling Irish eyes gives a victory to the little home town girl.

Thinks He or She is Wittiest: Russell Chapman and Edith Lenfest
What if "Osie's" legs were no faster than his wit! If he ever had any humor, he ran out of it before he reached Bates College Chapel.
Apparently Edith's attempts were too tinged with Latin for the rest of us to appreciate.

Done Most for the Class: C. R. Lord and Dorothy Parker
In truth the class felt that the "Lord" hath helped them.
"Dot" never seemed to "Weary" of work for '31.

Done the Class Most: Norman Ross
No explanation necessary to those who have been stuck on thumb tacks, stickers, and what-not.

Most Efficient: John Fuller and Gladys Underwood
John convinced everyone but his roommates—they knew.
Gladys just had to be efficient in order to get all her tasks out of the way.

Best Workers for Bates: Russell Chapman and Gladys Underwood
"Let's give them three the short way"! They well deserve it.

Most Collegiate: William Bowden and Harriet Manser
"Bill" was so collegiate they named an "institution" after him.
Wonder what the Judge will say about the new family honor at the next football banquet?

Most Uncollegiate: Eldredge Brewster, Julian Dodge, and Flossie York.
This trio was so busy battling for another aforementioned honor that they just didn't have time to be collegiate.

Best Built: Samuel Kenison and Lucile Adams
These two seem to have the best built bodies of the 1931 models.

Best Dancers: Reginald Colby and Martha Verrill.
"Royal" dancers indeed in a special branch of collegiate learning.

Lounge Lizards: Earl Garcelon and Harry Green
Gus and Harry, past masters of a favorite indoor pastime, with "Weary" as a capable alternate on any lounge.

Smoothest: Harry Green and Mildred Healey
If you don't know the modern meaning of "smooth", just think of Harry and Mil. Nobody can define "it" for you.

SUPERLATIVES

Favorite Professor: R. R. N. Gould
"Pa" just nosed out "Dutchy". Do you suppose this election shows the efficacy of knowing politics?

Favorite Subject: Mathematics
Most voted for Math, but a few voted for women. Both indicate an interest in figures.

Dullest Subject: Psychology
Maybe the new dog will pep up things a bit.

Hardest Year: Sophomore
Notice, frosh, "all that glisters is not gold".

Pleasantest Year: Senior
Here's a toast to the year full of fond memories, expectations, and picked courses.

Favorite Actor and Actress: Martin Sauer and Dorothy Morse
Morse and Sauer, how well they worked together on stage!
But were they not better off?

Favorite Indoor Sport: Basketball
The court game received the largest single aggregate of votes, but dancing, necking, co-eds, cards, and laughing all claimed their lesser shares.

Favorite Outdoor Sport: Football
The "old skin game" lures us all, especially these last couple of years.

Favorite Magazine: College Humor

Favorite College Other than Bates: Dartmouth

Favorite Car: Figure 8
Despite its square wheels the one-man trolley came in first with Bowden's cougher a poor second.

Letters of a Bates Student to His Alumnus Father

Lewiston, Maine,
November, 1928

Dear Dad,

Of course I appreciate the fact that both you and Ma graduated from this institution, but since Karl Woodcock spoke in Chapel the other morning I have been nicknamed "All-Bates, Thoroughbred, Time, slow", and I don't like it. You see Karl Woodcock, with his half-scared look and his hair standing up straight, said that he was a Bates man, married a Bates girl, and was raising an all-Bates family. Then he looked more scared than ever, and the fellows looked at me. They say I get good marks because I have inherited some Bates genes from you and Ma.

Your loving son,

JOE BATES.

Lewiston, Maine,
April, 1929

Dear Dad,

I am afraid you have been eating peanuts again because your letter came unsealed and little bits of peanuts were stuck to the glue on the envelope lap. That's why it didn't stick. Please be careful because often my roommates collect my mail.

You know how you cautioned me about coeducating? Well, I have been talking with Goosey Chase and Prof Rob and they have been telling me how they used to smile at you and Ma walking arm and arm around the campus and towards Thorncrag and the River Bank. Goosey smiles and says to me, "And that was before you were even thought of."

The Iliad is pretty tough. Will you please send me that translated copy I once saw among the books you used in college? Goosey is bearing down. And will you send me your Public Speaking book? We use the same edition. I could spend the money to take a co-ed to a show. I might as well be looking ahead to raising an all-Bates family, once removed.

Your dutiful son,

JOE BATES.

Lewiston, Maine,
November, 1930

Dear Dad,

I went down to Bowdoin to a football game with Doctor Fisher, Ph. D.—Doctor of Philosophy, you know—he earned his degree cracking rocks. We went down in his "puddle jumper"—but it isn't so good on fences.

The score was tied with Bates on Bowdoin's five yard line, last down, with one minute to play. The stands were in suspense, the full back's collar bone broken, the girls shrieking, and the alumni drunk! "What'll we do?" I asked Doc.

"Join the alumni!" chirped Fisher.

I didn't follow him at first.

Your loving son,

JOE BATES.

Lewiston, Maine,
March, 1930

Dear Dad,

We were quite surprised and disturbed this morning—someone gave a talk in chapel. We were warned against the dangers of "the sums of the fathers being invested with the children". I guess the speaker was referring to the recent trouble in the Wall Street zoo.

Lovingly,
JOE BATES.

P.S. Red Long delivers the Parker rolls every morning.

Lewiston, Maine,
October, 1930

Dear Dad,

You know that new Men's dorm we were going to have? Well, we're still *"going to have it"*—maybe.

Your devoted son,
JOE BATES.

P.S. I'm broke; so I'll borrow a stamp from my roommate.

Lewiston, Maine,
April, 1931

Dear Dad,

I wonder who Osie Chapman's publicity agent is. He is sure a pip. Now that there is a lull in track activity, he has pulled off an engagement stunt to keep up interest.

The prolific Sauer has shaved off his moustache today again. The boys are getting up a pool on the state of affairs that may exist under his nose in a fortnight.

This is all the gossip I can think of except that Doc Britan has opposed a movement to put conduits in Mountain Avenue instead of telephone poles.

Your dutiful son,
JOE BATES.

Lewiston, Maine,
April, 1931

Dear Dad,

I suppose you had prayer readings when you and Ma were here. We have some too and this morning when we were reading "and help us to lead holy, righteous, and sober lives" someone back of me went like this this, "righteous, sob—hic—er lives." I am disgusted with college men, Dad; they don't seem to be sincere. Even Pa Gould thinks so because the other day I read 149 of his 150 pages and he lectured me about it.

Yes, Ma Roberts still carries a wicker basket.

Your loving son,
JOE BATES.

Sonnet Written in Time of Delirium

By L. J. Moreful

My love is like a lonely cabbage worm
That seeks, and finds but squash and rhubarb plants;
And thus throughout life's furtive futile dance
Must starve and on its belly twist and squirm.
Lo, there was once a cabbage in full bloom
Of which the worm was envious, and it crawled
Slowly across the earth and called
To the chaste plant and listened for its doom.
The beauteous green looked down and only saw
A caterpillar, did not seem to know
That out of base things sometimes fairies grow;
She laughed and went into a salad—raw.
Love feed on rhubarb? Never! Cabbage or
Better it die while yet it wishes more.

Review by Professor Boikklemann

Those who mourn about the decadence of intellectual pursuits among college students might well take heart on reading Mr. Morefull's "Sonnet Written in Time of Delirium". Mr. Morefull does not at all conform to the popular conception of a poet, long haired, disorderly in dress, somewhat effeminate. For the past two years he has been Maine intercollegiate ping-pong champion; this year he was elected the best dressed man in his class; and he sports one of the popular short haircuts. We are reminded that Poe was a rum runner, Shakespeare a stable boy, and Coleridge a drug fiend. The activity of college leaders in literary fields will serve to make the art of letters more widely practiced than now. But to treat the poem. Mr. Morefull has gone straight to the earth for his imagery. Here is the very essence of classicism. In the hands of a less skillful writer the comparison between love and a cabbage worm might seem banal, but Morefull's virile treatment saves the day. This is easily the best sonnet in the 1931 Mirror. To the reviewer the last two lines were outstanding. They struck him right on the old snout.

> Love feed on rhubarb? Never! Cabbage or
> Better it die while yet it wishes more.

This is the boloney from which all true sonnets are filled. Shakespeare or Rossetti might have done worse.

The Bates Polecats

(milk-fed)

THE TEAM		GAMES PLAYED	
Xmas Carroll, Capt.,	left forward	Jepson Brook A. C.,	21-0
Duke Potts,	right forward	Lewiston Y. M. C. A.,	4-0
Deacon Merrill,	center	Sabattus Y. M. H. A.,	10-0
Soup Larrabee,	side center	Thorne's Corner Boy Scouts,	21½-20
Doc. Holt, (Trainer),	right guard	Barkerville Bearcats,	15-0
Speed Latham,	left guard	Cranberry Corner Comets,	13 0
Punk Pettengill (Water Boy),	forward	U. of Augunquit,	13¾-10½
Iron-man Dustin,	forward	McFalls R. O. T. C.,	2-0
Long John Carroll,	guard	Garnet Revellers,	4-3
Hercules Herrick,	guard	Faculty Volley Ball Stars,	198-0
Infra Red Thompson,	Coach		
Bunny Bornstein,	Mascot		

This brilliant aggregate of Bates luminaries won an enviable record on the basketball court, completing the season undefeated and winning the championship cup at the Barkerville Tournament.

Xmas Carroll was elected captain at an early meeting of the team by two votes. (His brother voted for him). Larrabee, seen in above photo attempting to conceal the opponents' ball, when not playing his usual flashy game at side center served the team as general utility man. Pettengill, who is seen holding the cup awarded to the highest scorer, was the outstanding player of the season. He played one game and scored one basket. Dustin was probably the best shot, but usually shot for the nearest basket and scored many points for the opposing teams. Pop-'em-in Potts and Point-a-Minute Pettengill were his only rivals. Mascot Bornstein cannot be seen in the above photo. He fell into the cup won at the Barkerville Tournament just as the photo was taken.

Much credit is due Coach Thompson, whose keen insight into the game of basketball and friendly relations with the referees did much to secure victory for the team.
